

Memorandum to the File, from David Cordell, dated June 15, 2007.

Therefore, in accordance with section 751(h) of the Act and 19 CFR 351.224(e),

we are amending the final results of the 2004–2005 antidumping duty administrative review of the order on

certain hot-rolled carbon steel flat products from the Netherlands. The revised dumping margin is as follows:

Manufacturer/Exporter	Original Final Margin	Revised Final Margin
Corus Staal BV .....	2.52 percent	2.26 percent

The Department will disclose calculations performed for the amended final results to the parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

#### Assessment

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated importer-specific assessment rates for the merchandise based on the ratio of the total amount of antidumping duties calculated for the examined sales made during the POR to the total customs value of the sales used to calculate those duties. The Department will issue appropriate *ad valorem* assessment instructions directly to CBP 15 days after publication of these amended final results of review. We will direct CBP to assess the resulting assessment rate against the entered customs values for the subject merchandise on each of the importer's entries during the POR.

#### Cash Deposit Requirements

On May 4, 2007, the Department published a **Federal Register** notice that, *inter alia*, revoked this order, effective April 23, 2007. *See Implementation of the Findings of the WTO Panel in US Zeroing (EC): Notice of Determinations Under Section 129 of the Uruguay Round Agreements Act and Revocations and Partial Revocations of Certain Antidumping Duty Orders*, 72 FR 25261 (May 4, 2007). Therefore, there is no need to issue new cash deposit instructions for these amended final results of this administrative review.

These amended final results of this administrative review and this notice are issued and published in accordance with sections 751(h) and 777(i) of the Act and 19 CFR 351.224(e).

Dated: June 15, 2007.

*Assistant Secretary for Import Administration.*

**EFFECTIVE DATE:** June 22, 2007.

#### SUPPLEMENTARY INFORMATION:

##### Background

On August 11, 1995, the Department published the AD orders on OCTG from Argentina, Italy, Japan, Korea, and Mexico. *See Antidumping Dumping Duty Order: Oil Country Tubular Goods from Argentina*, 60 FR 41055 (August 11, 1995); *Antidumping Duty Order: Oil Country Tubular Goods from Italy*, 60 FR 41057 (August 11, 1995); *Antidumping Duty Order: Oil Country Tubular Goods from Japan*, 60 FR 41058 (August 11, 1995); *Antidumping Duty Order: Oil Country Tubular Goods from Korea*, 60 FR 41057 (August 11, 1995); *Antidumping Duty Order: Oil Country*

*Tubular Goods from Mexico*, 60 FR 41056 (August 11, 1995).

On June 1, 2006, the Department initiated and the ITC instituted sunset reviews of the AD orders on oil country tubular goods from Argentina, Italy, Japan, Korea, and Mexico. *See Initiation of Five-year (“Sunset”) Reviews*, 71 FR 31153 (June 1, 2006); and *Oil Country Tubular Goods from Argentina, Italy, Japan, Korea, and Mexico*, 71 FR 31207 (June 1, 2006). As a result of the sunset reviews of these AD orders, the Department found that revocation would be likely to lead to the continuation or recurrence of dumping. *See Oil Country Tubular Goods from Argentina, Italy, Japan, and Korea, Final Results of Five-year (“Sunset”) Reviews of Antidumping Duty Orders*, 71 FR 59074 (October 6, 2006); and *Oil Country Tubular Goods from Mexico; Final Results of Five-year (“Sunset”) Review*, 72 FR 24563 (May 3, 2007). Pursuant to 752(c) of the Act, the Department notified the ITC of the likely continuation of dumping by manufacturers, producers, and exporters of OCTG in Argentina, Italy, Japan, Korea, and Mexico, and the magnitude of the margin of dumping likely to prevail were the AD orders revoked.

On May 31, 2007, the ITC determined pursuant to section 751(c) of the Act that revocation of the AD orders on OCTG from Argentina, Italy, Japan, Korea, and Mexico, would not be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. *See Oil Country Tubular Goods from Argentina, Italy, Japan, Korea, and Mexico*, USITC Publication 3923, Investigation Nos. 731–711, 713–716 (Review) (June 2007). The ITC notified the Department of this determination on June 18, 2007.
