Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before August 27, 2007.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the

Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: June 22, 2007.

Frequency: On Occasion; annually.

Affected Public: Individuals or household; State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 158.

Abstract: This study involves the implementation of a professional development program for 4th and 5th grade teachers who teach English language learners (ELLs) and assesses whether the proposed high-quality professional development model will have measurable impacts on teacher and student outcomes. The target population for the intervention is 4th and 5th grade teachers in four jurisdictions (state education agencies) of the Pacific Region who teach self-contained classes. A rigorous cluster random assignment research design, in which schools are randomly assigned to program and control groups, will be used to evaluate the impact of a principles-based professional development program and report on outcomes at the teacher, classroom, and student level.

Title: Part D Discretionary Grant Application—Individuals with Disabilities Education Act.

Frequency: Annually.

Affected Public: State, Local, or Tribal Governments.

Reporting and Recordkeeping Hour Burden:

Responses: 1,200.

Burden Hours: 30,000.

Abstract: This collection is being revised to (1) describe additional burden associated only with the Paperwork Waiver Demonstration Program and the Multi-Year Individualized Education Program Demonstration Program, two priorities to be completed under the Part D, Technical Assistance and Demonstration Program authorized under Public Law 108-446; and (2) to request approval for use of EDGAR selection criteria in both these programs that differ, in part, from those approved for use in the Model Demonstration Program. The Department's Office of Special Education Programs allowed burden hours in the previous submission of this package to cover these unique requirements; but feels it is necessary for the public to be aware of the actual activities reflected in that burden.

This information collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1890-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.

[CFDA No. 84.282B and 84.282C]

Charter Schools Program (CSP)

AGENCY: Office of Innovation and Improvement, Department of Education.

ACTION: Correction; Notice inviting applications for new awards for fiscal year (FY) 2007.

SUMMARY: On June 20, 2007, we published in the **Federal Register** (72 FR 33986) a notice inviting applications for new awards for two fiscal year (FY) 2007 competitions under the Charter Schools Program (CFDA 84.282B and CFDA 84.282C). That notice incorrectly included Alaska, Missouri, and New Hampshire in the list of States that currently have approved applications under the CSP. Non-State educational agency (Non-SEA) eligible applicants in States that currently have approved applications under the CSP are ineligible to apply under these competitions and must contact the SEA for information related to the State's CSP subgrant competition. Because Alaska, Missouri, and New Hampshire do not currently have approved applications under the CSP, non-SEA eligible applicants from these three states are, in fact, eligible to apply directly to the Department for CSP grants under these competitions.

For these reasons, we are removing Alaska, Missouri, and New Hampshire from the list of States that currently have approved applications under the CSP. The *Note* on page 33986, in the third column, under III. *Eligibility Information*, 1. *Eligible Applicants: Planning and Initial Implementation (CFDA No. 84.282B)* is corrected to read as follows:

Note: *Eligible applicant* is defined in section 5210(3) of the ESEA. The following States currently have approved applications under the CSP: Arkansas, California, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Idaho, Illinois, Indiana, Kansas, Louisiana, Maryland, Massachusetts, Michigan, Minnesota,

Nevada, New Jersey, New Mexico, New York, Ohio, Oregon, Pennsylvania, South Carolina, Tennessee, Texas, Utah, and Wisconsin. In these States, non-SEA eligible applicants interested in participating in the CSP should contact the SEA for information related to the State's CSP subgrant competition.

FOR FURTHER INFORMATION CONTACT: Erin Pfeltz, U.S. Department of Education, 400 Maryland Avenue, SW., room 4W255, Washington, DC 20202-5970. Telephone: (202) 205-3525 or by e-mail: erin.pfeltz@ed.gov.
