

of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

o. Competing Development Application: Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

p. Notice of Intent: A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

q. Proposed Scope of Studies under Permit: A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

r. Comments, Protests, or Motions to Intervene: Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, 385.211, 385.214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments,

protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper; See 18 CFR 385.2001 (a)(1)(iii) and the instructions on the Commission's Web site under "e-filing" link. The Commission strongly encourages electronic filing.

s. Filing and Service of Responsive Documents: Any filings must bear in all capital letters the title "COMMENTS", "RECOMMENDATIONS FOR TERMS AND CONDITIONS", "PROTEST", "COMPETING APPLICATION" OR "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

t. Agency Comments: Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

c. Date Filed: May 22, 2007.

d. Applicant: Greenwood County, South Carolina.

e. Name of Project: Buzzard's Roost Hydroelectric Project (FERC No. 1267).

f. Location: The project is located on the Saluda River in Greenwood, Laurens and Newberry Counties, South Carolina.

g. Filed Pursuant to: Federal Power Act, 16 U.S.C. 791 (a) 825(r) and 799 and 801.

h. Applicant Contact: Mr. Charles M. Watson Jr., County Attorney, County of Greenwood, 600 Monument St., Suite 102, Greenwood, SC 29646, phone (864)-942-3140.

i. FERC Contact: Any questions on this notice should be addressed to Chris Yeakel at (202) 502-8132.

j. Deadline for filing comments and or motions: July 27, 2007.

k. Description of Application: The applicant seeks approval to amend article 407 of its project license to revise the schedule for management of lake levels (rule curve). The licensee proposes to commence filling the lake one month earlier in order to obtain a lake elevation of 439 feet by March 15, provide steady lake levels during fish spawning, and to maintain the lake at the summer level until November 1 in order to facilitate late-season recreation. The licensee also proposes to maintain the lake at its annual low from December 15 until January 1 of each year in order to provide a period for adjacent landowners to work on permitted encroachments. Additionally, with the exception of the fish spawning period from March 15 to June 30, the licensee requests that it be allowed to fluctuate the reservoir within 6 inches above and below the levels determined by the rule curve to provide for some peaking operation. The licensee states that it will vary from article 407 to perform necessary maintenances, safely manage flood flows, during operating emergencies, and to meet minimum flow requirements under article 408.
