Proposal to approve under OMB delegated authority the extension for three years, with revision, of the following report:

Report title: Interagency Bank Merger Act Application

Agency form number: FR 2070

OMB control number: 7100-0171

Frequency: On occasion

Reporters: State member banks

Annual reporting hours: Nonaffiliate Transactions: 1,560; Affiliate Transactions: 234

Estimated average hours per response: Nonaffiliate Transactions: 30; Affiliate Transactions: 18

Number of respondents: Nonaffiliate Transactions: 52; Affiliate Transactions: 13

General description of report: This information collection is mandatory (12 U.S.C. 1828(c)) and is not given confidential treatment. However, applicants may request that parts of a submitted application be kept confidential. In such cases, the burden is on the applicant to justify the exemption by demonstrating that disclosure would cause substantial competitive harm or result in an unwarranted invasion of personal privacy or would otherwise qualify for an exemption under the Freedom of Information Act (5 U.S.C. 552). The confidentiality status of the information submitted will be judged on a case-by-case basis.

Abstract: The Federal Reserve, the Office of the Comptroller of the Currency (OCC), the Federal Deposit Insurance Corporation (FDIC) and the Office of Thrift Supervision (OTS) (the agencies) each use this application form to collect information for bank merger proposals that require prior approval under the Bank Merger Act. Prior approval is required for every merger transaction involving affiliated or nonaffiliated institutions and must be sought from the regulatory agency of the depository institution that would

survive the proposed transaction. A merger transaction may include a merger, consolidation, assumption of deposit liabilities, or certain asset-transfers between or among two or more institutions. The Federal Reserve collects this information so that it may meet its statutory obligation to evaluate the competitive, financial, managerial, future prospects, and convenience and needs aspects of each state member bank merger proposal.

Current Actions: The Federal Reserve proposes to update the General Information and Instructions to reflect passage of the Federal Deposit Insurance Reform Act of 2005, which was enacted on February 8, 2006. Provisions of this legislation directed the merger of the Bank Insurance Fund and the Savings Association Insurance Fund into a new Deposit Insurance Fund. The formation of the single insurance fund eliminated the need for two types of insurance-related applications that had been required for certain bank merger transactions. The proposed revisions relate entirely to the eliminated filing requirements. The OCC, FDIC, and the OTS will publish a separate **Federal Register** notice requesting public comment on these revisions.

Proposal to approve under OMB delegated authority the extension for three years, without revision, of the following report:

Report title: Interagency Notice of Change in Control, Interagency Notice of Change in Director or Senior Executive Officer, and Interagency Biographical and Financial Report.

Agency form number: FR 2081a, FR 2081b, and FR 2081c

Reporters: Financial institutions and certain of their officers and shareholders

Annual reporting hours: FR 2081a:

3,150; FR 2081b: 142; FR 2081c: 2,464

Estimated average hours per response: FR 2081a: 30; FR 2081b: 2; FR 2081c: 4

Number of respondents: FR 2081a:

105; FR 2081b: 71; FR 2081c: 616

General description of report: This information collection is mandatory (12 U.S.C. 1817(j) and 12 U.S.C. 1831(i)) and is not given confidential treatment. However, applicants may request that parts of a submitted application be kept confidential. In such cases, the burden is on the applicant to justify the exemption by demonstrating that disclosure would cause substantial competitive harm or result in an unwarranted invasion of personal privacy or would otherwise qualify for an exemption under the Freedom of Information Act (5 U.S.C. 552). The

confidentiality status of the information submitted will be judged on a case-by-case basis.

Abstract: The information collected assists the Federal Reserve, the Office of the Comptroller of the Currency (OCC), the Federal Deposit Insurance Corporation (FDIC) and the Office of Thrift Supervision (OTS) (the agencies) in fulfilling their statutory responsibilities as supervisors. Each of these forms is used to collect information in connection with applications and notices filed prior to proposed changes in the ownership or management of banking organizations. The agencies use the information to evaluate the controlling owners, senior officers, and directors of the insured depository institutions subject to their oversight. The OCC, FDIC, and OTS will publish a separate **Federal Register** notice requesting public comment on the extension.
