Title: Low Income Home Energy Assistance Program (LIHEAP) Carryover and Reallotment Report.

OMB No.: 0970-0106.

Description: The LIHEAP statute and regulations require LIHEAP grantees to report certain information to HHS concerning funds forwarded and funds subject to reallotment. The 1994 reauthorization of the LIHEAP statute, the Human Service Amendments of 1994 (Public Law 103-252), requires that the Carryover and Reallotment Report for one fiscal year be submitted

to HHS by the grantee before the allotment for the next fiscal year may be awarded. The Administration for Children and Families is requesting no changes in the collection of data with the Carryover and Reallotment Report for FY 20_, a form for the collection of data, and the Simplified Instructions for Timely Obligations of FY_ LIHEAP Funds and Reporting Funds for Carryover and Reallotment. The form clarifies the information being requested and ensures the submission of all the required information. The form facilitates our response to numerous queries each year concerning the amounts of obligated funds. Use of the form is voluntary. Grantees have the option to use another format.

Respondents: State Governments, Tribal Governments, Insular Areas, the District of Columbia, and the Commonwealth of Puerto Rico.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per	Average burden hours per response	Total burden hours

Submission for OMB Review; Comment Request

Title: Refugee Resettlement Program Estimates: CMA, ORR-1.

OMB No.: 0970-0030.

Description: The Office of Refugee Resettlement (ORR) reimburses, to the extent of available appropriations, certain non-Federal costs for the provision of cash and medical assistance to refugees, along with allowable expenses in the administration of the Refugee Resettlement Program. ORR needs sound State estimates of likely

expenditures for refugee cash, medical, and administration (CMA) expenditures so that it can anticipate Federal costs in upcoming quarters. If Federal costs are anticipated to exceed budget allocations, ORR must take steps to reduce Federal expenses, such as limiting the number of months of eligibility for Refugee Cash Assistance and Refugee Medical Assistance.

To meet the need for reliable State estimates of anticipated expenses, ORR has developed a single-page form in which State estimate the average number of recipients for each category of assistance, the average unit cost over the next 12 months, and the expense for the overall administration of the program. This form, the ORR-1, must be submitted prior to the beginning of each Federal fiscal year. Without this information, ORR would be out of compliance with the intent of its legislation and otherwise unable to estimate program costs adequately.

In addition, the ORR-1 serves as the State's application for reimbursement of its CMA expenses. Submission of this form is thus required by section 412(a)(4) of the Immigration and Nationality Act, which provides that "no grant or contract may be awarded under this section unless an appropriate proposal and application * * * are

submitted to, and approved by, the appropriate administering official.”

Respondents: State Governments.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours

Title: Guidance for the Tribal Temporary Assistance for Needy Families (TANF) Program.
OMB No.: 0970-0157.
Description: 42 U.S.C. 612 (Section 412 of the Social Security Act) requires

each Indian Tribe that elects to administer and operate a TANF program to submit a TANF Tribal Plan. The TANF Tribal Plan is a mandatory statement submitted to the Secretary by the Indian Tribe, which consists of an outline of how the Indian Tribe’s TANF program will be administered and operated. It is used by the Secretary to determine whether the plan is approvable and to determine that the Indian Tribe is eligible to receive a TANF assistance grant. It is also made available to the public.

The Administration for Children and Families (ACF) is proposing to revise the guidance by adding a certification page and is requesting additional details regarding economic development. ACF expects the additional information to add an estimated eight burden hours to each Indian Tribe’s submission. This is reflected in the annual burden estimates shown below.

Respondents: Indian Tribes applying to operate a TANF program.
