SUPPLEMENTARY INFORMATION: This is a summary of the Commission's Public Notice in WC Docket No. 03–109, released March 12, 2007 (DA 07–1241). The full text of this document is available for inspection and copying during normal business hours in the FCC Reference Center, Portals II, 445 12th St. SW., Room CY–A257, Washington, DC 20554. The complete text of this document also may be purchased from the Commission's copy contractor, Best Copy and Printing, Inc., 445 12th Street, SW., Room, CY–B402, Washington, DC 20554. The full text may also be downloaded at: <http://www.fcc.gov>. By this document, the Bureau seeks to refresh the record on issues in the *Further Notice of Proposed Rulemaking*, in the Lifeline and Link-Up docket, WC Docket No. 03–109. Currently, federal default criteria specify that a consumer is eligible for Lifeline or Link-Up support when the consumer's income is at or below 135% of the Federal Poverty Guidelines (FPG), or if the consumer participates in one of several federal assistance programs, such as Temporary Assistance for Needy Families (TANF) or the National School Lunch's free lunch program (NSL). In the *Further Notice of Proposed Rulemaking* issued on April 24, 2004, the Commission sought comment on whether the income-based criterion in the federal default eligibility criteria should be increased to 150% of the FPG to make phone service affordable to more low-income individuals and families. The Commission also sought to explore whether adoption of rules governing the advertisement of the Lifeline/Link-Up program, as opposed to guidelines, would strengthen the operation of these programs. For example, should an Eligible Telecommunications Carrier (ETC) be required to distribute materials in a second language if a certain percentage of the population in a given area speaks a language other than English, and if so, what percentage would trigger the requirement? The Commission now seeks to refresh the record on these and all other issues raised in the *Further Notice of Proposed Rulemaking*. The Bureau requests that parties refresh the record with any new information or arguments they believe to be relevant to deciding the issues still pending. The refreshed record will enable the

Commission to undertake appropriate consideration of the issue of how best to provide support through the Lifeline and Link-Up programs to more low-income individuals and families.
