

proposed rule change is consistent with the Act and the rules and regulations thereunder and, in particular, the requirements of section 6(b) of the Act.⁷ Specifically, the Exchange believes the proposed rule change is consistent with section 6(b)(5) of the Act,⁸ which requires that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, to remove impediments to and perfect the mechanism for a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated the proposed rule change as one that: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. Therefore, the foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰ The Exchange has asked the Commission to waive the operative delay to permit the Pilot Program extension to become operative prior to the 30th day after filing.¹¹

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the benefits of the

Pilot Program to continue without interruption.¹² Therefore, the Commission designates the proposal operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56121; File No. SR-Phlx-2007-16]

Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Order Granting Approval to a Proposed Rule Change Regarding Rules Pertaining to Training Requirements and Floor Procedure Advices

July 24, 2007.

On May 25, 2007, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4

¹⁴ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

⁷ 15 U.S.C. 78f(b).

⁸ 15 U.S.C. 78f(b)(5).

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4(f)(6).

¹¹ As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change at least five business days before doing so.

thereunder;² a proposed rule change to amend: (a) Rule 625, Training; (b) Equity Floor Procedure Advices and Order & Decorum Regulations, F-30 Training; and (c) Options Floor Procedure Advices and Order & Decorum Regulations, F-30 Options Trading Floor Training, to clarify and expand the Exchange's training requirements. Specifically, the proposed rule change expanded the category of individuals who are required to attend the mandatory training sessions and the training topics covered. Further, the Exchange set forth mandatory training requirements, which would take place on at least a semi-annual basis, for floor members. The Exchange also proposed changes to the language in Rule 970, Floor Procedure Advices: Violations, Penalties and Procedures, to delete the reference to the now-obsolete Market Surveillance Department and to provide that any authorized official of the Exchange may sign a citation for a floor procedure advice violation. The proposal was published for comment in the **Federal Register** on June 19, 2007.³ The Commission received no comments on the proposal. This order approves the proposed rule change.

After careful review of the proposal, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁴ In particular, the Commission finds that the proposal is consistent with section 6(b)(5) of the Act,⁵ which requires, among other things that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Expanding the Exchange's current mandatory training program should provide a means for keeping members and persons employed by or associated with such members or member organizations, and Participant Authorized Users, informed of and educated about, among other things, current rules and regulations and trading-related Exchange systems, which should enhance member

compliance with the federal securities law and Exchange rules. Additionally, updating the language in Exchange Rule 970 should promote efficiency in connection with the issuance of citations.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁶ that the proposed rule change (SR-Phlx-2007-16) be, and hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷

Deputy Secretary.
