

our generous provisions of extensions of due dates to respond, in some instances Sidenor continued to refrain from providing certain requested information regarding its reported costs; in other instances it provided confusing and sometimes contradictory information; yet in other instances it de-emphasized the significance or downplayed the necessity of our repeated requests for certain critical information by claiming that we had been "misinterpreting" or "misunderstanding" its COP response. See, e.g., Sidenor's January 24, 2007, third supplemental Section D questionnaire response at pages 1, 5, and 6. Therefore, we find that Sidenor has failed to cooperate to the best of its ability because Sidenor failed consistently to address certain critical elements for which we sought clarification or explanation in order to alleviate our concerns regarding the accuracy and reliability of Sidenor's reporting of its COP information. Accordingly, for these final results we find that, in selecting from among the facts otherwise available, an adverse inference is warranted. See the AFA Memo and the Decision Memorandum for a complete discussion of this issue.

As total adverse facts available, we have applied the highest rate determined in the less-than-fair-value investigation, which is 62.85 percent. See *Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Bar From Spain*, 59 FR 66931 (December 28, 1994). Furthermore, as required by section 776(c) of the Act, we corroborated this margin with respect to Sidenor, to the extent practicable. For a detailed explanation of how we corroborated this margin, see the *Preliminary Results*. See also the Decision Memorandum for a complete discussion of this issue.

#### Final Results of the Review

As a result of our review, we determine a dumping margin of 62.85 percent for Sidenor for the period March 1, 2005, through February 28, 2006.

#### Assessment Rates

The Department will determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212(b). Because we are relying on total adverse facts available to establish Sidenor's dumping margin, we will instruct CBP to apply a dumping margin of 62.85 percent to all entries of subject merchandise during the period of review produced and/or exported by Sidenor. The Department intends to issue instructions to CBP 15

days after the date of publication of these final results of review.

#### Cash-Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, consistent with section 751(a)(1) of the Act: (1) the cash-deposit rate for Sidenor will be 62.85 percent; (2) for previously investigated companies not listed above, the cash-deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a previous review, or the original less-than-fair-value (LTFV) investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) the cash-deposit rate for all other manufacturers or exporters will continue to be 25.77 percent, which is the "all others" rate established in the LTFV investigation. See *Amended Final Determination and Antidumping Duty Order: Stainless Steel Bar From Spain*, 60 FR 11656 (March 2, 1995). These deposit requirements shall remain in effect until further notice.

#### Notification

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: July 26, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

#### Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries for the above-named entities. For those companies for which this review has been rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required

at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department will issue appropriate assessment instructions directly to CBP 15 days after the publication of this notice in the **Federal Register**.

In addition, the Department is rescinding this review with respect to the following entities which did not receive a separate rate in any completed prior segment of this proceeding. For purposes of initiation of this administrative review, the Department accepted requests for review of these entities based upon the premise that such entities would seek to demonstrate in this review that they were, in law and in fact, separate from the PRC-wide entity, and therefore, entitled to a rate separate from the rate established for the PRC-wide entity. However, as the requests for review of these entities have been withdrawn, these entities may be subject to this review as part of the single PRC-wide entity.<sup>3</sup> Therefore, the Department will provide assessment instructions to CBP for the PRC-wide entity, which includes the following companies, after the final results of this administrative review.

Engmost Investments Limited  
 Golden Well International (HK), Ltd.  
 Hainan Rulai Furniture Co., Ltd.  
 Huizhou Jadom Furniture Co., Ltd., Jadom Furniture Co., Ltd.  
 Kong Fong Furniture, Kong Fong Mao Iek Hong  
 Kunshan Junsen Furniture Co., Ltd.  
 Nathan China Group  
 Putian Ou Dian Furniture Co., Ltd.  
 Time Crown (U.K.) International Ltd., China United International Co.  
 Tradewinds Furniture Ltd.  
 Tradewinds International Enterprise Ltd.  
 Trendex Industries Limited (BVI)

The review will continue with respect to all other entities identified in the *Initiation Notice*.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that

<sup>3</sup> If one of the companies remaining under review does not qualify for a separate rate, all other exporters of wooden bedroom furniture from the PRC that have not qualified for a separate rate are deemed to be covered by this review as part of the single PRC-wide entity of which the named exporter is a part.

reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

#### Notification Regarding Administrative Protective Orders ("APOs")

This notice also serves as a reminder to parties subject to APOs of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is in accordance with section 777(i)(1) of the Act, and 19 CFR 351.213(d)(4) of the Department's regulations.

Dated: July 25, 2007.
