Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries for the above-named entities. For those companies for which this review has been rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required

at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department will issue appropriate assessment instructions directly to CBP 15 days after the publication of this notice in the **Federal Register**.

In addition, the Department is rescinding this review with respect to the following entities which did not receive a separate rate in any completed prior segment of this proceeding. For purposes of initiation of this administrative review, the Department accepted requests for review of these entities based upon the premise that such entities would seek to demonstrate in this review that they were, in law and in fact, separate from the PRC-wide entity, and therefore, entitled to a rate separate from the rate established for the PRC-wide entity. However, as the requests for review of these entities have been withdrawn, these entities may be subject to this review as part of the single PRC-wide entity.³ Therefore, the Department will provide assessment instructions to CBP for the PRC-wide entity, which includes the following companies, after the final results of this administrative review.

Engmost Investments Limited
 Golden Well International (HK), Ltd.
 Hainan Rulai Furniture Co., Ltd.
 Huizhou Jadom Furniture Co., Ltd., Jadom Furniture Co., Ltd.
 Kong Fong Furniture, Kong Fong Mao Iek Hong

 Nathan China Group
 Putian Ou Dian Furniture Co., Ltd.
 Time Crown (U.K.) International Ltd., China United International Co.
 Tradewinds Furniture Ltd.
 Tradewinds International Enterprise Ltd.
 Trendex Industries Limited (BVI)

The review will continue with respect to all other entities identified in the *Initiation Notice*.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that

³ If one of the companies remaining under review does not qualify for a separate rate, all other exporters of wooden bedroom furniture from the PRC that have not qualified for a separate rate are deemed to be covered by this review as part of the single PRC-wide entity of which the named exporter is a part.

reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders ("APOs")

This notice also serves as a reminder to parties subject to APOs of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is in accordance with section 777(i)(1) of the Act, and 19 CFR 351.213(d)(4) of the Department's regulations.

Circular Welded Carbon Quality Steel Pipe from the People's Republic of China: Notice of Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 2, 2007.

FOR FURTHER INFORMATION CONTACT: Damian Felton or Nancy Decker, AD/

CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0133 and (202) 482-0196, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 27, 2007, the Department of Commerce ("the Department") initiated the countervailing duty investigation of circular welded carbon quality steel pipe from the People's Republic of China. See *Notice of Initiation of Countervailing Duty Investigation: Circular Welded Carbon Quality Steel Pipe from the People's Republic of China*, 72 FR 36668 (July 5, 2007). Currently, the preliminary determination is due no later than August 31, 2007.

Postponement of Due Date for Preliminary Determinations

Section 703(b)(1) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, if the Department concludes that the parties concerned in the investigation are cooperating and determines that the investigation is extraordinarily complicated, section 703(c)(1)(B)(i) of the Act allows the Department to postpone making the preliminary determination until no later than the 130 days after the date on which the administering authority initiated the investigation.

The Department concludes that, thus far, the parties concerned are cooperating. Furthermore, due to the complexity of the alleged countervailable subsidy practices being investigated, which include provision of goods or services for less than adequate remuneration and government restraints on exports, it is not practicable to complete the preliminary determination of this investigation within the original time limit (i.e., August 31, 2007). Therefore, in accordance with section 703(c)(1)(B)(i) of the Act, we are fully extending the due date for the preliminary determination to no later than 130 days after the day on which the investigation was initiated. As this deadline falls on a weekend, however, the fully extended deadline is the next business day, November 5, 2007.

This notice is issued and published pursuant to section 703(c)(2) of the Act.

Dated: July 26, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested. Section 751(a)(3)(A) of the Act further states that if it is not practicable to complete the review within the time period specified, the administering authority may extend the 245-day period to issue its preliminary results by up to 120 days.

Due to new subsidy allegations and the large number of companies and programs in this administrative review, we have determined that it is not
