[Public Notice 5872]

Culturally Significant Objects Imported for Exhibition Determinations: "Taddeo and Federico Zuccaro"

SUMMARY: Notice is hereby given of the following determinations: Pursuant to the authority vested in me by the Act of October 19, 1965 (79 Stat. 985; 22 U.S.C. 2459), Executive Order 12047 of March 27, 1978, the Foreign Affairs Reform and Restructuring Act of 1998 (112 Stat. 2681, *et seq.*; 22 U.S.C. 6501 note, *et seq.*), Delegation of Authority No. 234 of October 1, 1999, Delegation of Authority No. 236 of October 19, 1999, as amended, and Delegation of Authority No. 257 of April 15, 2003 [68 FR 19875], I hereby determine that the objects to be included in the exhibition "Taddeo and Federico Zuccaro," imported from abroad for temporary exhibition within the United States, are of cultural significance. The objects are imported pursuant to loan agreements with the foreign owners or custodians. I also determine that the exhibition or display of the exhibit objects at the J. Paul Getty Museum, from on or about October 2,

2007, until on or about January 6, 2008, and at possible additional venues yet to be determined, is in the national interest. Public Notice of these Determinations is ordered to be published in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: For further information, including a list of the exhibit objects, contact Richard Lahne, Attorney-Adviser, Office of the Legal Adviser, U.S. Department of State (telephone: 202/453-8058). The address is U.S. Department of State, SA-44, 301 4th Street, SW., Room 700, Washington, DC 20547-0001.

Dated: July 25, 2007.

C. Miller Crouch,

Principal Deputy Assistant Secretary for Educational and Cultural Affairs, Department of State.

Federal Aviation Administration

Notice of Intent To Release Certain Properties From All Terms, Conditions, Reservations and Restrictions of a Quitclaim Deed Agreement Between the City of Orlando and the Federal Aviation Administration for the Orlando Executive Airport, Orlando, FL

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Request for public comment.

SUMMARY: The FAA hereby provides notice of intent to release certain airport properties, 5.958 acres at the Orlando Executive Airport, Orlando, FL from the conditions, reservations, and restrictions as contained in a Quitclaim Deed agreement between the FAA and the City of Orlando, dated August 9, 1961. The release of property will allow the City of Orlando to dispose of the property for other than aeronautical purposes. The property is located in a portion of the Southwest ¼ of Section 28, Township 22 South, Range 30 East, Orange County, Florida. The parcel is currently designated as non-aeronautical use. The property will be disposed of for the purpose of constructing the Orlando-Orange County Expressway Authority Operations Center. The fair market value of the property has been determined by appraisal to be \$1,557,200. The airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project.

Documents reflecting the Sponsor's request are available, by appointment only, for inspection at the Greater Orlando Aviation Authority and the FAA Airports District Office.

SUPPLEMENTARY INFORMATION: Section 125 of The Wendell H. Ford Aviation Investment and Reform Act for the 21st Century (AIR-21) requires the FAA to provide an opportunity for public notice and comment prior to the "waiver" or "modification" of a sponsor's Federal obligation to use certain airport land for non-aeronautical purposes.

DATES: September 4, 2007.

ADDRESSES: Documents are available for review at the Greater Orlando Aviation Authority, One Airport Boulevard, Orlando, FL 32827 and the FAA Airports District Office, 5950 Hazeltine National Drive, Suite 400, Orlando, FL 32822. Written comments on the Sponsor's request must be delivered or mailed to: Juan C. Brown, Program Manager, Orlando Airports District Office, 5950 Hazeltine National Drive, Suite 400, Orlando, FL 32822-5024.

FOR FURTHER INFORMATION CONTACT: Juan C. Brown, Program Manager, Orlando Airport District Office, 5950 Hazeltine National Drive, Suite 400, Orlando, FL 32822-5024.

W. Dean Stringer,

Manager, Orlando Airports District Office, Southern Region.

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

[STB Finance Docket No. 35063]

Michigan Central Railway, LLC— Acquisition and Operation Exemption—Lines of Norfolk Southern Railway Company

AGENCY: Surface Transportation Board.

ACTION: Notice of commencement of proceeding, revocation of exemption, and issuance of procedural schedule.

SUMMARY: By this decision and notice, the Board is commencing a proceeding under 49 U.S.C. 10502(b) and 49 CFR 1121.1 to consider the petition of Michigan Central Railway, LLC (MCR) to exempt its acquisition and operation of certain railroad lines of the Norfolk Southern Railway Company (NSR) in Michigan and Indiana. To allow this proceeding to go forward, we are granting MCR's petition to revoke the application of the class exemption, which would otherwise apply to this transaction. Our revocation of the class

exemption as to this transaction will allow us to consider the transaction in greater detail than it could be considered under our regulations for processing notices invoking the class exemption, and it will facilitate the participation of interested persons pursuant to the procedural schedule we are adopting.

DATES: Comments on MCR's petition for exemption may be filed by any interested person by September 4, 2007. Replies by MCR and NSR are due by September 17, 2007. The Board will issue its final decision on October 11, 2007.

ADDRESSES: Any filing submitted in this proceeding must refer to STB Finance Docket No. 35063 and may be submitted either via the Board's e-filing format or in the traditional paper format. Any person using e-filing must attach a document and otherwise comply with the instructions found on the Board's "<http://www.stb.dot.gov>." Web site, at the "E-FILING" link. Any person submitting a filing in the traditional paper format must submit an original and 10 paper copies of the filing (and also an electronic version) to: Surface Transportation Board, 395 E. Street, SW., Washington, DC 20423-0001. In addition, one copy of each filing in this proceeding must be sent (and may be sent by e-mail only if service by e-mail is acceptable to the recipient) to: Karl Morell, Of Counsel, Ball Janik, LLP, Suite 225, 1455 F. Street, NW., Washington, DC 20005; and G. Paul Moates, Sidley & Austin LLP 1501 K. Street, NW., Washington, DC 20005.

FOR FURTHER INFORMATION CONTACT: Joseph H. Dettmar, (202) 245-0395. [Federal Information Relay Service (FIRS) for the hearing impaired: 1-800-877-8339.]

SUPPLEMENTARY INFORMATION: By petition filed on July 13, 2007, in STB Finance Docket No. 35063, MCR requests, pursuant to 49 U.S.C. 10502, an exemption under the Board's formal (case-by-case) exemption procedures at 49 CFR 1121.1 to authorize it to acquire some 299 miles of rail line from NSR,¹ to acquire through assignment from NSR some 85.5 miles of existing trackage

rights² and lease rights,³ and to acquire yards and stations that are related to this track.⁴ A map of the area to be served by MCR appears in Exhibit 1 attached to its petition for exemption.

If MCR becomes a carrier pursuant to the exemption sought here, it will grant limited local trackage rights to NSR, approval for which is being sought in a notice of exemption filed in a related proceeding.⁵ If the proposed transaction is consummated, MCR would become a Class II rail carrier and would hire approximately 118 employees to operate these rail lines. Under that trackage rights agreement, NSR will retain the right to serve, under certain specified conditions, the General Motors facilities at Grand Rapids and Lansing, MI, and the RSOC of Michigan LLC automotive steel processing facility at Holt, MI, as well as any subsequent occupant(s) of any of these facilities.

In another related proceeding, Watco Companies, Inc. and its wholly owned subsidiary, Watco Transportation Services, Inc. (collectively, Watco), have filed a notice of exemption to continue in control of MCR upon MCR's becoming a rail carrier through its proposed acquisition and operation of these rail lines.⁶ NSR will contribute these rail lines, trackage rights, and related assets to MCR, subject to certain traffic restrictions, in exchange for a noncontrolling 33% membership interest in MCR. Watco will contribute

² MCR will acquire through assignment by NSR 80 miles of trackage rights over the line of the National Railroad Passenger Corporation (Amtrak) between milepost MH 143.3 near Kalamazoo, MI, and milepost MH 222.8 at the Michigan/Indiana border (east of Michigan City, IN). Additionally, MCR will exercise NSR's trackage rights over lines of CSX Transportation, Inc. (CSXT) between: mileposts 0.0-1.0 M9 in Grand Rapids, MI; and mileposts LZ 36.8-37.9 and 0.0-2.2 HZ in Lansing, MI. MCR will also exercise NSR's trackage rights over a Canadian National Railway Company (CN) line between mileposts 176.7-175.5 in Battle Creek, MI. MCR will host trackage rights to CSXT for a short stretch of track between mileposts LZ 36.8-37.9 in Lansing, MI. Finally MCR will host trackage rights for CN between mileposts UP 2.2-UP 0.0, KY 0.0-KY 0.4, and FB 54.0-FB 56.3 in Kalamazoo, MI.

³ Specifically, MCR will become lessor of the rail line leased to CN between Kalamazoo (MP 9.51) and Pavilion (MP 0.4).

⁴ MCR plans to acquire and to operate NSR yards at: Kalamazoo, MI (Botsford); Grand Rapids, MI (Hughtart); Jackson, MI; Lansing, MI (Saginaw); and Battle Creek (Hinman), MI.

⁵ See NSR's notice invoking the class exemption at 49 CFR 1180.2(d)(7), currently filed on July 13, 2007, in *Norfolk Southern Railway Company—Trackage Rights Exemption—Michigan Central Railway, LLC*, STB Finance Docket No. 35065 (STB served July 27, 2007).

⁶ See Watco's notice invoking the class exemption at 49 CFR 1180.2(d), concurrently filed on July 13, 2007, in *Watco Companies, Inc., and Watco Transportation Services, Inc.—Continuance in Control Exemption—Michigan Central Railway, LLC*, STB Finance Docket No. 35064 (STB served July 27, 2007).

¹ The NSR rail lines run generally between Elkhart, IN and Grand Rapids, MI; between Kalamazoo, MI, and a point near Ypsilanti, MI; and between Jackson, MI, and Lansing, MI. More specifically, the rail lines to be acquired run between the following mileposts: Milepost KH 1.4 at Elkhart, IN, and milepost KH 27.4 at Three Rivers, MI; milepost FB 27.3 at Three Rivers and milepost FB 102.3 at Grand Rapids, MI; milepost MH 143.03 at CP BO in Kalamazoo, MI, and milepost MH 28 at CP Ypsi; and milepost LZ 0.0 at Jackson, MI, and milepost LZ 36.9 at Lansing, MI.
