BILLING CODE 4160-01-S

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this

opportunity to comment on a proposed revised information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the continued use of FEMA Form 95-22, Application for Admission, that is used to select participants for the U.S. Fire Administration (USFA) Executive Fire Officer Program (EFOP).

SUPPLEMENTARY INFORMATION: Public Law 93-498, the Fire Prevention and Control Act of 1974, created the National Fire Academy (NFA) which provides for courses and programs to train fire service personnel. Since 1985 USFA/NFA has sponsored and offered the EFOP, a professional development program for senior and executive level fire officers. The standard application form (FEMA Form 75-5, approved under OMB No. 1660-0005), used for all USFA/NFA courses, does not provide the sufficient information to select the most qualified applicants for the program. FEMA Form 95-22 will require a brief essay for questions specific to EFOP functions.

The annual cost to the government for spending time reviewing FEMA Form 95-22 and additional documentation is estimated to be \$1,836.00.

Comments: Written comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a continuing information collection. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning the Mission Assignment (MA) form that is used to record requests for Federal assistance by State and Federal entities to FEMA, and the Action Request (AR) form which is used to request Federal assistance.

SUPPLEMENTARY INFORMATION: The MA form is necessary to support the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 *et seq.*, and its implementing regulations in 44 CFR part 206. Specifically, 44 CFR 206.7 provides for FEMA to issue mission assignments for disaster work performed by other Federal agencies. A written request for Federal assistance may be submitted on an Action Request

form (AR). The AR form is the working document requesting federal assistance. The mission assignments are directives provided by FEMA to another agency to perform specific work in disaster operations on a reimbursable basis and are defined in 44 CFR 206.2(a)(18). The MA form is used to record a request for Federal assistance by States and Federal entities to FEMA, and may become the official FEMA obligating document when a mission assignment to another Federal agency results from the request. The MA form contains information that is used by FEMA management to evaluate requests for assistance from States, other Federal agencies and internal FEMA organizations. The requirement that requests for assistance to be made in writing and approved by the requesting State can be found in 44 CFR 206.8. Requirements for program and finance officials to sign for the approval of funds from the President's Disaster Relief Fund are found in standard Federal financial regulations regarding financial operations and separation of duties.
