AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. Type of Information Collection Request: Reinstatement without change of a previously approved collection; **Title of Information Collection:** Quality Improvement (formerly Peer Review) Organization Contracts: Solicitation of Statements of Interest from In-State Organizations, General Notice and Supporting Regulations in 42 CFR, 475.102, 475.103, 475.104, 475.105, 475.106; **Use:** The criteria that an organization must satisfy in order to be eligible for a Medicare Quality Improvement Organization (QIO) contract are specified by law and set forth in Sections 1152 and 1153 of the Social Security Act (the Act). In very basic terms, the applicant organization must demonstrate that it is either a physician-sponsored or physician-access organization. The qualifications for in-State status for an otherwise qualified QIO organization are also set forth in Section 1153(i) (3) of the Act.

To comply with Section 1153 of the Act, we must publish the solicitation of statements of interest from qualified in-State organizations no later than January 31, 2008. We wish to publish notice of contract expiration dates and the time periods during which interested, qualified organizations may submit

statements of interest and proposals for these contracts substantially sooner than the January 2008 deadline, in order to give maximal notice and opportunity to all qualified and potentially interested organizations. We are soliciting information in the form of responses to our request for statements of interest from qualified in-State organizations who may wish to compete for the QIO contracts for their respective States. The responses should contain an indication of interest and information demonstrating the interested organizations' eligibility to qualify as a QIO under the requirements of Sections 1152 and 1153 of the Act. *Form Number:* CMS-R-118 (OMB#: 0938-0526); *Frequency:* Reporting—On occasion; *Affected Public:* Business or other for-profit; *Number of Respondents:* 53; *Total Annual Responses:* 53; *Total Annual Hours:* 1.

This funding will support the expansion of shelter/foster care program bed capacity to meet the number of unaccompanied alien children referrals from the Department of Homeland Security (DHS).

The program is mandated by section 462 of the Homeland Security Act to ensure appropriate placement of all referrals from the DHS. ORR's ability to meet this mandate is often a challenge since the program is completely tied to DHS apprehension strategies and the sporadic number of border crossers. The program has seen a dramatic increase in the number of children referred from DHS in the past few months

necessitating an expansion of existing shelter care capacity.

The program has very specific requirements for the provision of services. Existing grantees are the only entities with the infrastructure, licensing, experience and appropriate level of trained staff to meet the service requirements and the urgent need for expansion. The program's ability to avoid a backlog of children waiting in border patrol stations for placement can only be accommodated through the expansion of existing programs through this supplemental award process.
