

in the event the value of the underlying gold is no longer calculated or available as required.

The Commission further believes that the trading rules and procedures to which the Shares will be subject pursuant to this proposal are consistent with the Act. The Exchange has represented that any securities listed pursuant to this proposal will be deemed equity securities, and subject to existing Exchange rules governing the trading of equity securities.

In support of this proposal, the Exchange has made the following representations:

(1) The Exchange's surveillance procedures are adequate to address any concerns associated with the trading of the Shares.

(2) The Exchange would inform its members in an Information Bulletin of the special characteristics and risks associated with trading the Shares, including suitability recommendation requirements.

(3) The Exchange would require its members to deliver a prospectus to investors purchasing Shares prior to or concurrently with confirmation of a transaction in such Shares and will note this prospectus delivery requirement in the Information Bulletin.

This approval order is based on the Exchange's representations.

The Commission finds good cause for approving this proposal before the thirtieth day after the publication of notice thereof in the **Federal Register**. As noted above, the Commission previously approved the original listing and trading of the Shares on NYSE and the trading of the Shares pursuant to UTP on the Exchange.<sup>39</sup> The Commission presently is not aware of any regulatory issue that should cause it to revisit those findings or would preclude the listing and trading of the Shares on the Exchange. Accelerating approval of this proposed rule change would allow the Shares to be listed on the Exchange without undue delay and continuously traded without interruption, to the benefit of investors.

## V. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act,<sup>40</sup> that the proposed rule change (SR-NYSEArca-2007-76), as modified by Amendment No. 1 thereto, be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>41</sup>

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56221; File No. SR-Phlx-2007-48]

### Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 1 Thereto To Adopt a Monthly Fee for Stock Execution Clerks That Handle Stand- Alone Equity Orders

August 8, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on June 28, 2007, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by Phlx. On August 7, 2007, Phlx amended the proposed rule change.<sup>3</sup> The Exchange filed the proposal pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>4</sup> and Rule 19b-4(f)(2)<sup>5</sup> thereunder, as establishing or changing a due, fee, or other charge applicable to a member, which renders the proposed rule change effective upon filing with the Commission.<sup>6</sup> The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Phlx proposes to adopt a monthly fee of \$500.00 for stock execution clerks that handle stand-alone equity orders, such as to hedge traders' options positions. Those stock execution clerks who are assessed the \$500.00 monthly fee will no longer pay the \$25.00 Trading Floor Personnel Registration

Fee, as the \$500.00 monthly fee will encompass the \$25.00 Trading Floor Personnel Registration Fee. The text of the proposed rule change is available at <http://www.phlx.com>, the Phlx, and the Commission's Public Reference Room.

### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

A stock execution clerk is currently defined in Exchange Rule 1090 as any clerk other than a specialist clerk on the Exchange trading floor who functions as an intermediary in a transaction (i) Consummated on the Exchange; (ii) entered verbally for execution other than on the Exchange; or (iii) entered into a third party system designed to execute transactions other than on the Exchange.<sup>7</sup> All stock execution clerks must register as such with the Exchange.<sup>8</sup>

Generally, "stock execution" refers to the service used by options traders to hedge their options trades with the underlying stock. Although stock execution today is often done electronically, stock execution clerks provide a service to Exchange members on the options floor by accepting orders for the purchase and sale of securities underlying options transactions. Once such orders are accepted, the stock execution clerk forwards such orders to the appropriate marketplace for execution. The transactions executed are typically hedging transactions in underlying stocks for Exchange specialists and Registered Options Traders. The transaction may be contingent on an options transaction<sup>9</sup> or

<sup>6</sup> For purposes of calculating the 60-day abrogation period, the Commission considers the period to have commenced on August 7, 2007, the date the Exchange filed Amendment No. 1.

<sup>7</sup> See Exchange Rule 1090, Commentary .01(a).

<sup>8</sup> See Exchange Rule 620(b).

<sup>9</sup> A contingency order is a limit or market order to buy or sell that is contingent upon a condition being satisfied while the order is at the post. For certain options contingency orders, the contingency

may stand independently (“stand-alone equity orders”).

The purpose of this proposal is to assess fees commensurate with the activities of stock execution clerks that handle stand-alone equity orders (*i.e.* orders that are not contingent on an options transaction). For those stock execution clerks that handle orders that are contingent on an options transaction, *i.e.* orders that are packaged with an options trade, the Exchange currently assesses charges associated with those contingency orders, such as options floor brokerage assessment and option transaction charges. The Exchange, however, does not assess fees in connection with stand-alone equity orders, which may be handled by a variety of intermediaries and which may be executed on different equity markets. The Exchange believes it is appropriate to charge a fee for stock execution clerks performing this function on the options floor because such clerks and such businesses generally are not subject to fees for doing business from the Exchange's options floor.

## 2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act<sup>10</sup> in general, and furthers the objectives of Section 6(b)(4) of the Act<sup>11</sup> in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes that it is equitable and reasonable to charge a fee for stock execution clerks that handle stand-alone equity orders because such clerks are generally not subject to Exchange fees for doing business from the Exchange's options floor. The Exchange believes that the \$500.00 monthly fee, which encompasses the \$25.00 Trading Floor Personnel Registration Fee, is a reasonable amount to charge stock execution clerks for the ability to perform this service on the options floor. In addition, the monies received as a result of the \$500 monthly fee should help raise revenue for the Exchange.

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

A written comment was received by the Exchange.<sup>12</sup>

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing proposed rule change has become effective upon filing with the Commission pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>13</sup> and Rule 19b-4(f)(2) thereunder,<sup>14</sup> in that the proposed rule change establishes or changes a member due, fee, or other charge imposed by the self-regulatory organization. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

### **IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

#### *Paper Comments*

<sup>12</sup> A written comment in the form of an e-mail message from Larry Johnson at Wedbush Morgan Securities was sent to Kevin Kennedy (an Exchange employee) on May 29, 2007. In the e-mail message, Mr. Johnson stated, in part, that the \$500 fee was “in no way an impediment for us.” This written comment was received in connection with various discussions between Exchange staff and Wedbush, which related in part to what types of activity (including stock execution business) would be allowed on the Exchange's options floor due to the fact that the Exchange was closing its physical equity trading floor and migrating to XLE, the Exchange's new equity trading system. The Exchange was addressing this issue, in general, in order to notify former equity floor members who may have been considering establishing some form of operation on the Exchange's options trading floor and possibly connecting to XLE.
