[Docket No.: 06-BIS-17]

Action Affecting Export Privileges; Mr. Qing Chang Jiang; In the Matter of: Mr. Qing Chang Jiang, 10677 C Rosewood Road, Cupertino, CA 95014, Respondent; Order Relating to Qing Chang Jiang

The Bureau of Industry and Security, U.S. Department of Commerce ("BIS") has initiated an administrative proceeding against Qing Chang Jiang ("Jiang") pursuant to Section 766.3 of the Export Administration Regulations (currently codified at 15 CFR Parts 730-774 (2007)) (the "Regulations"),¹ and Section 13(c) of the Export Administration Act of 1979, as amended (50 U.S.C. app. 2401-2420 (2000)) (the "Act"),² through issuance of a charging letter to Jiang that alleged that Jiang committed 3 violations of the Regulations. Specifically, the charges are:

Charge 1: 15 CFR 764.2(d)—Conspiracy to Export Microwave Amplifiers to China without the required Department of Commerce License.

Beginning in or about September 2001 and continuing into or about May 2002, Jiang conspired and acted in concert with others, known and unknown, to bring about or to do an act that constitutes a violation of the Regulations. Specifically, Jiang conspired to export microwave amplifiers from the United States to the People's Republic of China ("China") without the required Department of Commerce license. The goal of the

¹ The violations alleged to have been committed occurred in 2001 and 2002. The Regulations governing the violations at issue are found in the 2001-2002 versions of the Code of Federal Regulations (15 CFR parts 730-774 (2001-2002)). The 2007 Regulations establish the procedures that apply to this matter.

² Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), as extended by successive Presidential Notices, the most recent being that of August 3, 2006 (71 FR 44,551 (Aug. 7, 2006)), has continued the Regulations in effect under the International Emergency Economic Power Act (50 U.S.C. 1701-1706 (2000)).

conspiracy was to obtain microwave amplifiers on behalf of a Chinese end-user and to export those microwave amplifiers to China. In furtherance of the conspiracy, Jiang acquired the microwave amplifiers from a U.S. company and then exported them from the United States to China. The microwave amplifiers were items subject to the Regulations and were classified under export control classification number ("ECCN") 3A001. Contrary to Section 742.4 of the Regulations, no Department of Commerce license was obtained for the export of amplifiers from the United States to China. In so doing, Jiang committed one violation of Section 764.2(d) of the Regulations.

Charge 2: 15 CFR 764.2(a): Exporting Microwave Amplifiers without the required Department of Commerce License.

On or about May 22, 2002, Jiang engaged in conduct prohibited by the Regulations by exporting microwave amplifiers, items subject to the Regulations and classified under ECCN 3A001, from the United States to China without obtaining a license from the Department of Commerce as required by Section 742.4 of the Regulations. In so doing, Jiang committed one violation of Section 764.2(a) of the Regulations.

Charge 3: 15 CFR 764.2(e): Acting with knowledge that a violation of the regulations would occur.

In connection with the transaction referenced above, Jiang ordered or transferred microwave amplifiers that were to be exported from the United States with knowledge that a violation of the Regulations would occur. Specifically, Jiang has knowledge that a license was required for the export of Jiang was advised by an individual in China that the items in question were classified as ECCN 3A001 and subject to U.S. export regulations. Furthermore, Jiang had knowledge of the Regulations, as Jiang has met with officials from BIS on several occasions to discuss the Regulations and the export of microwave amplifiers to China. In addition, Jiang submitted an export application to the Department of Commerce for the microwave amplifiers described above and exported those amplifiers during the pendency of that application. As such, Jiang, at all relevant times, knew that the items required a license if exported to China and that no such license would be obtained. In so doing, Jiang committed one violation of Section 764.2(e) of the Regulations.

Whereas, BIS and Jiang have entered into a Settlement Agreement pursuant to Section 766.18(b) of the Regulations whereby they agreed to settle this matter in accordance with the terms and conditions set forth therein, and

Whereas, I have approved of the terms of such Settlement Agreement;

It Is Therefore Ordered:

First, that a civil penalty of \$17,000 is assessed against Jiang, of which \$500 shall be paid to the U.S. Department of Commerce not later than November 1, 2007; \$500 shall be paid to the U.S. Department of Commerce not later than February 1, 2008; \$5,000 shall be paid to the U.S. Department of Commerce not

later than May 1, 2008; and the balance of \$11,000 shall be paid to the U.S. Department of Commerce not later than August 1, 2008. Payment shall be made in the manner specified in the attached instructions.

Second, that, pursuant to the Debt Collection Act of 1982, as amended (31 U.S.C. 3701–3720E (2000)), the civil penalty owed under this Order accrues interest as more fully described in the attached Notice, and, if payment is not made by the due date specified herein, Jiang will be assessed, in addition to the full amount of the civil penalty and interest, a penalty charge and an administrative charge, as more fully described in the attached Notice.

Third, that the timely payment of the civil penalty set forth above is hereby made a condition to the granting, restoration, or continuing validity of any export license, license exception, permission, or privilege granted, or to be granted, to Jiang. Accordingly, if Jiang should fail to pay the civil penalty in a timely manner, the undersigned may enter an Order denying all of Jiang's export privileges under the Regulations for a period of one year from the date of entry of this Order.

Fourth, that for a period of five years from the date of entry of this Order, Qing Chang Jiang, 10677 C Rosewood Road, Cupertino, CA 95014, and, when acting for or on behalf of Jiang, his representatives, agents, assigns, or employees, ("Denied Person") may not participate, directly or indirectly, in any way in any transaction involving any commodity, software, or technology (hereinafter collectively referred to as "item") exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including, but not limited to:

C. Benefiting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations.

Fifth, that no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Sixth, that, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any person, firm, corporation, or business organization related to Jiang by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of the Order.

Low Enriched Uranium from France: Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: Based on the timely withdrawal of the request for an administrative review, the Department of Commerce (the Department) is rescinding the administrative review of low enriched uranium from France for the period February 1, 2006 through January 31, 2007.

EFFECTIVE DATE: August 17, 2007.

FOR FURTHER INFORMATION CONTACT: Douglas Kirby or Myrna Lobo, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-3782 or (202) 482-2371, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 2, 2007, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on low enriched uranium from France. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 72 FR 5007 (February 2, 2007). On February 28, 2007, USEC Inc. and United States Enrichment Corporation (petitioner) timely requested that the Department conduct an administrative review of Eurodif S.A., AREVA NC, and AREVA NC, Inc. (collectively Areva). On March 28, 2007, the Department published the notice of initiation of the antidumping duty administrative review of low enriched uranium from France for the period February 1, 2006 through January

31, 2007. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 14516 (March 28, 2007). On June 26, 2007, petitioner withdrew its request for this administrative review with respect to the respondent, Areva. Areva did not request an administrative review for this period.

Rescission of Review

The Department's regulations at section 351.213(d)(1) provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review. Petitioner withdrew its request for review in a timely manner. Therefore, the Department is rescinding the administrative review of the antidumping duty order on low enriched uranium from France for the period February 1, 2006 through January 31, 2007.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries for Eurodif S.A., AREVA NC, and AREVA NC, Inc. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the

proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: August 10, 2007.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.
