Background

The Corporation for National and Community Service (the Corporation) connects Americans of all ages and backgrounds with opportunities to give back to their communities and country through three programs: AmeriCorps, Learn and Serve America, and Senior Corps. The Corporation provides grants to support people and organizations that use service as a strategy for addressing national and community needs. As part of its review process the Corporation uses peer reviewers to determine the quality of the grant applications we receive. The peer reviewer application forms are used by individuals wishing to serve as peer reviewers or peer review panel facilitators for the Corporation grant review processes. The information collected will be used by the Corporation to select peer reviewers for each grant competition. All individuals interested in applying as peer reviewers or facilitators of the peer review panels will be required to complete an electronic application using eGrants, the

Corporation's Web-based grant management system.

Current Action

The Corporation seeks to renew and revise the current peer reviewer application form. When revised, the application will revise/clarify eGrants instructions to reflect adjustments to the Corporation for National and Community Service's web-based system for grant management. The application will otherwise be used in the same manner as the existing application. The Corporation also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on October 31, 2007. Modifications include instructions related to log-in into e-Grants and enhancements to the personal profile, contact information section, and areas of expertise.
