#### Madera County Resource Advisory Committee

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of Resource Advisory Committee Meeting.

**SUMMARY:** Pursuant to the authorities in the Federal Advisory Committee Act of 1972 (Pub. L. 92-463) and under the Secure Rural Schools and Community Self-Determination Act of 2000 (Pub. L. 106-393) the Sierra National Forest's Resource Advisory Committee for Madera County met on Monday, August 13, 2007. The Madera Resource Advisory Committee met at the Forest Service Office, North Fork, CA 93643. The purpose of the meeting was: Agree on parameters for accepting solicitations for Title II funding for FY 2007 and set a date for the final meeting when proposals will be approved for recommendation to the Forest Supervisor. The primary discussion revolved around what types of projects the RAC would be willing to entertain for this round of funding. Due to the extremely short turn-around time and the difficulty of a new extensive solicitation, what will be considered was brought into a very narrow focus.

The following were generally agreed-to by unanimous consent as projects that would be considered for funding:

*Invasive Weed Management*—submitted through the Coarsegold RCD, similar proposal and \$\$ as last year;

*High Sierra Volunteer Trail Crew*—Submitted through the same group/Shane Krogan, similar proposal and \$\$ as last year;

*Goat Mountain Fuelbreak*—Submitted through the Coarsegold RCD, would consider funding the balance of funding needed from last year but was cut. Estimated at \$10,000 to \$15,000;

*Forest Service Fuel Hazard reduction in Cedar Valley*—Submitted through the Forest Service as an adjunct to the Cedar Valley Project. Primarily directed at road hazard reduction clearing on either side of the Cedar Valley Road;

*Planning for the San Joaquin Trail project*—Submitted through the San Joaquin River Trail Council, estimated at \$10,000-\$15,000. This planning will allow the expenditure of another \$40,000 of existing funding to finish the last trail segment between Millerton Lake and the Mammoth trailhead;

*Kinsman Fuel Hazard*—Submitted through the USFS. Completion of fuel hazard reduction around Kinsman Flat private land.

Dave agreed to contact prospective project proponents ASAP and get completed proposals out to RAC members 1-2 weeks prior to the meeting on September 10.

**DATE:** The final Madera Resource Advisory Committee meeting will be held Monday, September 10, 2007. The meeting will be held from 7 p.m. to 9 p.m.

**ADDRESSES:** The Madera County RAC meeting will be held at the Forest Service Office, 57003 Road 225, North Fork, CA 93644.

#### Notice of Proposed New Fee Site; Federal Lands Recreation Enhancement Act, (Title VIII, Pub. L. 108-447)

**AGENCY:** Rogue River-Siskiyou National Forest, USDA Forest Service.

**ACTION:** Notice of Proposed New Fee Site.

**SUMMARY:** The Wild Rivers Ranger District of the Rogue River-Siskiyou National Forest is proposing to charge a \$4/day use fee per vehicle at the Illinois River Scenic Recreation area. A seasonal pass of \$25 per vehicle and a charge of \$10 fee for the overnight use of Store Gulch Campground are also proposed. These fees are proposed to begin in fiscal year 2008. Use of the developed recreation facilities on the Illinois River of the Rogue River-Siskiyou National Forest has shown that the public appreciates and enjoys the availability of the recreation experience. Funds from the fee charges would be used for the continued operation and maintenance of the Illinois River Scenic Recreation area and improvements including law enforcement and sanitation.

**DATES:** The fees would be charged from May 1 to September 30.

**ADDRESSES:** Forest Supervisor, Rogue River-Siskiyou National Forest, 333 W. 8th Street/P.O. Box 520, Medford, Oregon 97501-0209.

**FOR FURTHER INFORMATION CONTACT:** Jerry Sirski, Recreation Specialist, 541-899-3815.

**SUPPLEMENTARY INFORMATION:** The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are proposed.

These facilities are in close proximity to the Wild, Scenic, and Recreational segments of the Illinois River. This area offers significant recreational viewing opportunities, fishing experiences, and is rich in historical and cultural importance. A market analysis indicates that the \$4/per day single vehicle fee is both reasonable and acceptable for this sort of unique recreation experience.

Dated: August 29, 2007.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 17, 2007, the Bureau of Industry and Security (BIS) published a notice of inquiry in the **Federal Register** (72 FR 39052) that invited the public to submit comments regarding the Commerce Control List (CCL) in the Export Administration Regulations (EAR).

The notice indicated that, in addition to seeking recommendations from its Technical Advisory Committees (TACs) as a part of a systematic review of the CCL, BIS believed that it would also be beneficial to allow interested members of the public to submit comments regarding the CCL.

Specifically, in addition to seeking recommendations from its TACs, BIS invited the interested public to submit comments regarding:

(1) The overall structure of the CCL, including suggestions for how the structure of the CCL may be changed to better advance U.S. national security, foreign policy, and economic interests;

(2) Types of items that should be listed on the CCL and the appropriate levels of controls to be placed on those items, taking into account technology levels, markets, and foreign availability;

(3) Any updates to the CCL item descriptions that would enable the descriptions to better reflect the intent of the multinational controls and to eliminate any overly broad descriptions that inadvertently capture non-critical items that are not controlled by other countries; and

(4) Coordination and harmonization of controls on items covered by the multilateral regimes, such as the Wassenaar Arrangement.

The notice of inquiry indicated that the deadline for public comments closes on September 17, 2007. BIS is now extending the comment period until November 1, 2007, to allow the public additional time to comment on the notice of inquiry.
