

FOR FURTHER INFORMATION CONTACT: Jennifer Hogan, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2007 TAC of Pacific ocean perch allocated to catcher processors participating in the rockfish limited access fishery in the Central GOA is 1,008 metric tons (mt) as established by § 679.81(a), 679.82(b), and the 2007 and 2008 harvest specifications for groundfish of the GOA (72 FR 9676, March 5, 2007), and as posted as the 2007 Rockfish Program Allocations at <http://www.fakr.noaa.gov/sustainablefisheries/goarat/default.htm>.

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator), has determined that the 2007 TAC of Pacific ocean perch allocated to catcher processors participating in the rockfish limited access fishery in the Central GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 1,008 mt, and is setting aside the remaining 0 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for Pacific ocean perch for catcher processors participating in the rockfish limited access fishery in the Central GOA.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries

data in a timely fashion and would delay the closure of Pacific ocean perch for catcher processors participating in the rockfish limited access fishery in the Central GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of September 5, 2007.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: September 6, 2007.

Emily H. Menashes

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Fisheries of the Exclusive Economic Zone Off Alaska; Shallow-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; modification of a closure.

SUMMARY: NMFS is opening directed fishing for 12 hours for shallow-water species by vessels using trawl gear in the Gulf of Alaska (GOA). This action is necessary to allow the shallow-water species fishery in the GOA to resume.

DATES: Effective 0800 hrs, Alaska local time (A.l.t.), September 6, 2007, through 2000 hrs, A.l.t., September 6, 2007. Comments must be received at the following address no later than 4:30 p.m., A.l.t., September 21, 2007.

ADDRESSES: Send comments to Sue Salvesson, Assistant Regional Administrator, Sustainable Fisheries Division, Alaska Region, NMFS, Attn: Ellen Sebastian. Comments may be submitted by:

• Mail to: P.O. Box 21668, Juneau, AK 99802;

• Hand delivery to the Federal Building, 709 West 9th Street, Room 420A, Juneau, Alaska;

• FAX to 907-586-7557;

• E-mail to inseason.fakr@noaa.gov and include in the subject line of the e-mail the document identifier: goaswx4sre.fo.wpd (E-mail comments, with or without attachments, are limited to 5 megabytes); or

• Webform at the Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions at that site for submitting comments.

FOR FURTHER INFORMATION CONTACT: Jennifer Hogan, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The shallow-water fishery in the GOA opened on September 1, 2007 at 1200 hrs and closed on September 1, 2007 at 2400 hrs (72 FR 49229, August 28, 2007). NMFS has determined that approximately 150 mt remain in the fourth seasonal apportionment of the 2007 Pacific halibut bycatch allowance specified for the shallow-water species fishery in the GOA. Therefore, in accordance with § 679.25(a)(1)(i), (a)(2)(i)(C) and (a)(2)(iii)(D), and to allow the shallow-water species fishery in the GOA to resume, NMFS is terminating the previous closure and is reopening directed fishing for shallow-water species for 12 hours by vessels using trawl gear in the GOA, effective 0800 hrs, A.l.t., September 6, 2007, through 2000 hrs, A.l.t., September 6, 2007. The species and species groups that comprise the shallow-water species fishery are pollock, Pacific cod, shallow-water flatfish, flathead sole, Atka mackerel, skates and "other species." This opener does not apply to fishing by vessels participating in the cooperative fishery in the Rockfish Pilot Program for the Central GOA.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and

opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the opening of the shallow-water species fishery by vessels using trawl gear in the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of September 4, 2007.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

Without this inseason adjustment, NMFS could not allow the fishery for the shallow-water species fishery in the GOA to be harvested in an expedient manner and in accordance with the regulatory schedule. Under § 679.25(c)(2), interested persons are invited to submit written comments on this action to the above address until September 21, 2007.

This action is required by § 679.20 and § 679.25 and is exempt from review under Executive Order 12866.

RIN 0648-XC47

Fisheries of the Exclusive Economic Zone Off Alaska; Northern Rockfish for Catcher Processors Participating in the Rockfish Limited Access Fishery in the Central Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and

Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for northern rockfish for catcher processors participating in the rockfish limited access fishery in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the 2007 total allowable catch (TAC) of northern rockfish allocated to catcher processors participating in the rockfish limited access fishery in the Central Regulatory Area of the GOA.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), September 6, 2007, through 2400 hrs, A.l.t., December 31, 2007.

FOR FURTHER INFORMATION CONTACT: Jennifer Hogan, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2007 TAC of northern rockfish allocated to catcher processors participating in the rockfish limited access fishery in the Central GOA is 675 metric tons (mt) as established by § 679.81(b)(2) and the 2007 and 2008 harvest specifications for groundfish of the GOA (72 FR 9676, March 5, 2007), and as posted as the 2007 Rockfish Program Allocations at <http://www.fakr.noaa.gov/sustainablefisheries/goarat/default.htm>.

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator), has determined that the 2007 TAC of northern rockfish allocated to catcher processors participating in the rockfish limited access fishery in the Central GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 675 mt, and is setting aside the remaining 0 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached.

Consequently, NMFS is prohibiting directed fishing for northern rockfish for catcher processors participating in the rockfish limited access fishery in the Central GOA.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of northern rockfish for catcher processors participating in the rockfish limited access fishery in the Central GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of September 5, 2007.
