

Commissioners, appointed by the President.

Advisory Committee

The Act (Public Law 109-479, sec 501-511) provides (in sec 503(d)) that the Secretary of Commerce, in consultation with the United States Commissioners to the Commission, will appoint certain members of the advisory committee established under the Act.

The members to be appointed to the advisory committee are to include not less than 15 nor more than 20 individuals selected from the various groups concerned with the fisheries covered by the Convention, providing, to the extent practicable, an equitable balance among such groups. On behalf of the Secretary of Commerce, NMFS is now seeking nominations for these appointments.

In addition to the 15-20 appointed members, the advisory committee also includes the chair of the Western and Central Pacific Fishery Management Council's Advisory Committee (or designee), and officials of the fisheries management authorities of American Samoa, Guam, and the Northern Mariana Islands (or their designees).

Members of the advisory committee will be invited to attend all non-executive meetings of the United States Commissioners to the Commission and at such meetings will be given opportunity to examine and be heard on all proposed programs of investigation, reports, recommendations, and regulations of the Commission.

Each appointed member of the advisory committee will serve for a term of two years and will be eligible for reappointment.

The Secretaries of Commerce and State will furnish the advisory committee with relevant information concerning fisheries and international fishery agreements.

NMFS, on behalf of the Secretary of Commerce, will provide to the advisory committee administrative and technical support services as are necessary for its effective functioning.

Appointed members of the advisory committee will serve without pay, but while away from their homes or regular places of business in the performance of services for the advisory committee will be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the Government service are allowed expenses under section 5703 of title 5, United States Code. They will be considered Federal employees while performing service as members of the advisory committee only for purposes of: (1) injury

compensation under chapter 81 of title 5, United States Code; (2) requirements concerning ethics, conflicts-of-interest, and corruption, as provided by title 18, United States Code, and (3) any other criminal or civil statute or regulation governing the conduct of Federal employees in their capacity as Federal employees.

Procedure for Submitting Nominations

Nominations for the advisory committee should be submitted to NMFS (see **ADDRESSES**). Self nominations are acceptable. Nominations should include the following information: (1) Full name, address, telephone, facsimile, and e-mail of nominee; (2) nominee's organization(s) or professional affiliation(s) serving as the basis for the nomination, if any; and (3) a background statement, not to exceed one page in length, describing the nominee's qualifications, experience and interests, specifically as related to the fisheries covered by the Convention.
