Federal Aviation Administration

Public Notice for Waiver of Aeronautical Land-Use Assurance; Pellston Regional Airport; Pellston, MI

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the airport from aeronautical use to non-aeronautical use and to authorize the release of 621.46 acres of vacant airport property for the proposed development of warehouses, training centers, and associated access roads as a component of Sovereign Deed's National Response Center. The land consists of 7 parcels. Parcel 1 was acquired under grant 9-20-048-C905. Parcels 2, 3, 4, 5 and 8 were dedicated as airport property prior to 1946 and have no federal funding involvement. Parcel 7 was acquired under grants 9-2-048-C905 and 8-26-0076-01. There are no impacts to the airport by allowing the airport to lease the property. The land is not needed for aeronautical use. Approval does not constitute a commitment by the FAA to financially assist in the lease of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the lease of the airport property will be in accordance with FAA's Policy and

Procedures Concerning the Use of Airport Revenue, published in the Federal Register on February 16, 1999. In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.
