II. What Action is the Agency Taking?

Under a MOU dated September 23, 1986, the CPSC agreed to EPA procedures governing access to CBI submitted to EPA under TSCA.

In accordance with 40 CFR 2.306(h), EPA determined that CPSC requires access to CBI submitted to EPA under all sections of TSCA to perform successfully their responsibilities under the Consumer Product Safety Act and TSCA.

CPSC's personnel are given access to information submitted to EPA under all sections of TSCA. Some of the information is claimed or determined to be CBI. Under terms of the MOU, CPSC is not required to renew its access to TSCA CBI. EPA publishes this notice to the public from time to time to reiterate and confirm that access to TSCA CBI has been granted to this other federal agency. In a previous notice published in the **Federal Register** on February 26, 2003 (68 FR 8892) (FRL-7293-2), EPA confirmed that CPSC continues to have access to CBI under all sections of TSCA. EPA is issuing notice to once again confirm that CPSC maintains access under the existing MOU.

EPA issues this notice to inform all submitters of information under all sections of TSCA that EPA provides the CPSC access to these CBI materials on a need-to-know basis only. All access to TSCA CBI under this MOU will take place at EPA Headquarters and CPSC's 4330 East West Highway, Bethesda, MD site.

CPSC is required to adhere to all provisions of EPA's TSCA CBI Protection Manual.

CPSC personnel are required to sign nondisclosure agreements and are briefed on appropriate security
