

Exporter/Manufacturer	Net Subsidy Rate
Zhejiang Kingland Pipeline and Technologies Co., Ltd., Kingland Group Co., Ltd, Beijing Kingland Centruy Technologies Co., Zhejiang Kingland Pipeline Industry Co., Ltd., and Shanxi Kingland Pipeline Co., Ltd.	16.59
All Others	16.59

Sections 703(d) and 705(c)(5)(A) of the Act state that for companies not investigated, we will determine an “all others” rate by weighting the individual company subsidy rate of each of the companies investigated by each company’s exports of the subject merchandise to the United States. However, the “all others” rate may not include zero and *de minimis* rates or any rates based solely on the facts available. In this investigation, because we have only one rate that can be used to calculate the “all others” rate, Kingland’s rate, we have assigned that rate to “all others.”

In accordance with sections 703(d)(1)(B) and (2) of the Act, we are directing CBP to suspend liquidation of all entries of CWP from the PRC that are entered, or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the **Federal Register**, and to require a cash deposit or bond for such entries of merchandise in the amounts indicated above. Moreover, in accordance with section 703(e)(2)(A), for Kingland, Shuangjie, and for “all other” Chinese exports of CWP, we are directing CBP to apply the suspension of liquidation to any unliquidated entries entered, or withdrawn from warehouse for consumption, on or after the date 90 days prior to the date of publication of this notice in the **Federal Register**. Neither the suspension of liquidation nor the requirement for a cash deposit or bond will apply to merchandise produced and exported by East Pipe because the Department has preliminarily determined that East Pipe did not receive any countervailable subsidies.

ITC Notification

In accordance with section 703(f) of the Act, we will notify the ITC of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this

investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative protective order, without the written consent of the Assistant Secretary for Import Administration.

In accordance with section 705(b)(2) of the Act, if our final determination is affirmative, the ITC will make its final determination within 45 days after the Department makes its final determination.

Disclosure and Public Comment

In accordance with 19 CFR 351.224(b), we will disclose to the parties the calculations for this preliminary determination within five days of its announcement.

A list of authorities relied upon, a table of contents, and an executive summary of issues should accompany any briefs submitted to the Department. Executive summaries should be limited to five pages total, including footnotes.

Section 774 of the Act provides that the Department will hold a public hearing to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs, provided that such a hearing is requested by an interested party. If a request for a hearing is made in this investigation, the hearing will tentatively be held two days after the deadline for submission of the rebuttal briefs, pursuant to 19 CFR 351.310(d), at the U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230. address, and telephone; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs.
