Stainless Steel Bar from France: Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a timely request by Ascometal, S.A. (Ascometal), the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on stainless steel bar (SSB) from France with respect to Ascometal. The period of review (POR) is March 1, 2006, through February 28, 2007.

We preliminarily determine that Ascometal did not sell SSB below normal value (NV) during the POR. Interested parties are invited to comment on the preliminary results. If the preliminary results are adopted in our final results of administrative review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries.

EFFECTIVE DATE: March 31, 2008.

FOR FURTHER INFORMATION CONTACT: David Goldberger or Terre Keaton Stefanova, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4136 or (202) 482-1280, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 7, 2002, the Department of Commerce (the Department) published in the **Federal Register** an antidumping duty order on SSB from France. See *Antidumping Duty Order: Stainless Steel Bar from France*, 67 FR 10385 (March 7, 2002). On March 2, 2007, the Department published in the **Federal Register** a notice of "Opportunity To Request Administrative Review" of the antidumping duty order on SSB from France for the POR. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 72 FR 9505 (March 2, 2007). On March 30 and April 2, 2007, Ugitech, S.A. (Ugitech) and Ascometal submitted timely letters requesting that the Department conduct an administrative review of their sales of SSB made during the POR, pursuant to section 751 of the Tariff Act of 1930, as amended (the Act). On April 27, 2007, the Department published a notice of initiation of an administrative review with respect to Ascometal and Ugitech. See *Initiation of Antidumping and Countervailing Duty Reviews*, 72 FR 20986 (April 27, 2007). On April 30, 2007, we issued antidumping duty questionnaires to both companies.

On May 24, 2007, Ugitech timely withdrew its request for an

administrative review. The Department published the rescission of the administrative review with respect to Ugitech on June 15, 2007. See *Stainless Steel Bar from France: Notice of Partial Rescission of Antidumping Duty Administrative Review*, 72 FR 33202 (June 15, 2007).

Ascometal submitted responses to sections A, B, and C of the Department's questionnaire in June 2007. We issued a supplemental questionnaire in July 2007, and received a response to this questionnaire later that month. Ascometal provided additional information in response to Department requests during November 2007.

On June 27, 2007, the petitioners¹ requested that the Department initiate a sales-below-cost investigation of Ascometal. On August 8, 2007, we initiated this investigation. See Memorandum to James Maeder, Director, Office 2, AD/CVD Operations, entitled "Petitioners' Allegation of Sales Below the Cost of Production for Ascometal S.A.," dated August 8, 2007 (COP Initiation Memo). On August 9, 2007, we instructed Ascometal to respond to section D of the Department's questionnaire. On September 10, 2007, we granted Ascometal's request to report its cost of production (COP) based on the period January 1, 2006, through December 31, 2006, rather than the POR. Ascometal submitted its response to section D of the questionnaire on September 28, 2007. On October 12, 2007, we issued a supplemental section D questionnaire to Ascometal, to which Ascometal submitted its response on November 2, 2007.

On November 2, 2007, we extended the time limit for the preliminary results in this review until March 31, 2008. See *Notice of Extension of Time Limit for Preliminary Results in Antidumping Duty Administrative Review: Stainless Steel Bar From France*, 72 FR 62209 (November 2, 2007).

We conducted a verification of Ascometal's reported U.S. sales data in December 2007, and issued our verification report on February 5, 2008. In response to our February 6, 2008, request, Ascometal submitted a revised U.S. sales database reflecting certain verification corrections and findings on February 15, 2008.
