

writing within 30 days to any written request by any person for the identification of the signals carried on its system in fulfillment of the requirements of 47 CFR 76.56.

47 CFR 76.1620 states that if a cable operator authorizes subscribers to install additional receiver connections, but does not provide the subscriber with such connections, or with the equipment and materials for such connections, the operator shall notify such subscribers of all broadcast stations carried on the cable system which cannot be viewed via cable without a converter box and shall offer to sell or lease such a converter box to such subscribers. Such notification must be provided by June 2, 1993, and annually thereafter and to each new subscriber upon initial installation. The notice, which may be included in routine billing statements, shall identify the signals that are unavailable without an additional connection, the manner for obtaining such additional connection and instructions for installation.

47 CFR 76.56 requires cable television systems to carry signals of all qualified local Noncommercial Educational (NCE) station carriage.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection Approved by the Office of Management and Budget

March 24, 2007.

SUMMARY: The Federal Communications Commission (Commission) has received Office of Management and Budget (OMB) approval for the following public information collection(s) pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). An agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number, and no person is required to respond to a collection of information unless it displays a currently valid OMB control number. Comments concerning the accuracy of the burden estimate(s) and any suggestions for reducing the burden should be directed to the person listed in the **FOR FURTHER INFORMATION CONTACT:** section below.

FOR FURTHER INFORMATION CONTACT: Sue Gilgenbach, *Sue.Gilgenbach@fcc.gov*, (202) 418-0639.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-1003.

OMB Approval Date: July 21, 2007.

Expiration Date: July 31, 2010.

Title: Communications Disaster Information Reporting Systems (DIRS).

Form No.: Not applicable.

Estimated Annual Burden: 5,300 responses; 0.7 hours (42 minutes) per response; 3,710 hours total per year.

Obligation to Respond: Voluntary.

Nature and Extent of Confidentiality: Because the information that communications companies input to DIRS is sensitive, for national security and/or commercial reasons, DIRS filings shall be treated as presumptively confidential upon filing. The Federal Communications Commission's Public Safety & Homeland Security Bureau Launches Disaster Information Reporting System, 72 FR 52879 (Sept. 17, 2007); The FCC's Public Safety & Homeland Security Bureau Launches Disaster Information Reporting System (DIRS), *Public Notice*, 22 FCC Rcd 16757 (PSHSB 2007). DIRS filings will, however, be shared with the Department of Homeland Security's National Communications System (NCS) on a confidential basis.

Needs and Uses: This voluntary information collection will better enable the Commission to assist communications companies with the restoration of communications in times of crisis, including in the aftermath of terrorist attacks or natural disasters. Through DIRS, wireless, wireline, broadcast, and cable communications providers can provide their emergency contact information and report communications infrastructure status and situational awareness information during times of crisis (e.g., status of their communications equipment, restoration efforts, and source and status of their power supply). The Commission will be able to use this information to ensure that the public and public safety, public health, and other emergency and defense personnel have effective communications services available to them in the immediate aftermath of a disaster.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority, Comments Requested

March 25, 2008.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to take this opportunity to (PRA) of 1995 (PRA), Public Law No. 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. Subject to the PRA, no person shall be subject to any penalty for failing to comply with a collection of information that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written PRA comments should be submitted on or before May 30, 2008. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: You may submit all PRA comments by e-mail or U.S. postal mail. To submit your comments by e-mail, send them to *PRA@fcc.gov*. To submit your comments by U.S. mail, mark them to the attention of Cathy Williams, Federal Communications Commission, Room 1-C823, 445 12th Street, SW., Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection(s), contact Cathy Williams at (202) 418-2918 or send an e-mail to *PRA@fcc.gov*.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0175.

Title: Section 73.1250, Broadcasting Emergency Information.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 50 respondents; 50 responses.

Estimated Time per Response: 1 hour.

Frequency of Response: On occasion reporting requirement; Third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits.

Total Annual Burden: 50 hours.

Total Annual Cost: None.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality:

There is no need for confidentiality.

Needs and Uses: 47 CFR 73.1250(e) requires that immediately upon cessation of an emergency during which broadcast facilities were used for the transmission of point-to-point messages or when daytime facilities were used during nighttime hours by an AM station, a report in letter form shall be forwarded to the FCC in Washington, DC, setting forth the nature of the emergency, the dates and hours of the broadcasting of emergency information and a brief description of the material carried during the emergency. A certification of compliance with the non-commercialization provision must accompany the report where daytime facilities are used during nighttime hours by an AM station.

FEDERAL COMMUNICATIONS COMMISSION

Public Information Collection Requirement Submitted to OMB for Review and Approval, Comments Requested

March 25, 2008.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of

information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before April 30, 2008. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget, via Internet at Nicholas_A_Fraser@omb.eop.gov or via fax at (202) 395-5167 and to Cathy Williams, Federal Communications Commission, Room 1-C823, 445 12th Street, SW., Washington, DC or via Internet at Cathy.Williams@fcc.gov or PRA@fcc.gov. To view a copy of this information collection request (ICR) submitted to OMB: (1) Go to the Web page <http://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the Web page called "Currently Under Review," (3) click on the downward-pointing arrow in the "Select Agency" box below the "Currently Under Review" heading, (4) select "Federal Communications Commission" from the list of agencies presented in the "Select Agency" box, (5) click the "Submit" button to the right of the "Select Agency" box, (6) when the list of FCC ICRs currently under review appears, look for the title of this ICR (or its OMB control number, if there is one) and then click on the ICR Reference Number to view detailed information about this ICR."

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0647.

Title: Annual Cable Price Survey and Supplemental Questions.

Form Number: Not applicable.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities; State, local or tribal government.

Number of Respondents: 758.

Estimated Time per Response: 2 hours to 10 hours.

Frequency of Response: Annual reporting requirement.

Total Annual Burden: 9,096 hours.

Total Annual Cost: None.

Privacy Impact Assessment: No impact(s).

Nature of Response: Mandatory.

Confidentiality: No need for confidentiality required.

Needs and Uses: Section 623(k) of the Cable Television Consumer Protection and Competition Act of 1992 requires the Commission to publish annually a statistical report on average rates for basic cable service, cable programming service, and equipment. The report must compare the prices charged by cable operators subject to "effective competition" and those not subject to effective competition. The data from these supplemental questions are needed to complete this report.

The Commission determined that a small number of additional questions related to the cable industry's carriage of digital broadcast signals would be needed to complete the 2007/2008 report on cable industry prices that will be prepared later this year based on the findings from the survey. The increased burden to this information collection represents the burden associated with the supplemental questionnaire.
