Pursuant to this mandate, the Commission will hold a public hearing in New Orleans, Louisiana.

Background

This event is the fourth in a series of public hearings the Commission will hold during its 2008 report cycle to collect input from leading experts in government, business, industry, academia and the public on the impact of the economic and national security implications of the U.S. growing bilateral trade and economic relationship with China. The April 24–25 hearing is being conducted to obtain commentary on the safety and trade issues related to imported seafood from China.
