IV. Incorporation of the Critical Manufacturing Sector Into the NIPP Framework

The NIPP framework includes a SCC within all of the sectors containing private sector CIKR owners and/or operators. The SCC includes CIKR owners and/or operators and private industry trade associations representative of CIKR owners and/or operators. By policy, SCCs are self-created and self-led entities, and DHS encourages public engagement in the development of the Critical Manufacturing SCC. Each of the sectors also has a GCC whose membership includes a lead Federal agency that is defined as the SSA, and all of the relevant Federal, State, local, Tribal, and Territorial government agencies (or their representative trade associations) whose mission interests also involve the scope of the NIPP activities for that particular sector. As directed and authorized by section 4.1.1 of the NIPP (National-Level Coordination), the Assistant Secretary, Office of Infrastructure Protection will assume interim leadership in supporting the development of an SCC and coordinating the development of a GCC, and identify an SSA to meet the requirements of HSPD-7 and the NIPP.

At the conclusion of the above process, the Secretary will identify the GCC government agency membership and designate a Federal agency as the SSA. The SSA, SCC, and GCC will thereafter comprise the Critical Manufacturing Sector and continue to organize and coordinate in order to accommodate the intent of the NIPP and full integration into the CIKR Sector Partnership.

As the NIPP is the primary mechanism for coordinating the coverage of CIKR sectors and their constituent systems and assets, DHS will revise its contents to include the Critical Manufacturing CIKR sector. As part of a comprehensive national review, DHS seeks comments on changes to the NIPP to reflect the addition of the Critical Manufacturing sector. These changes will include adding the Critical Manufacturing sector and its SSA to those sections of the NIPP where sectors and their SSAs are listed, referenced, or described. DHS will also amend the last sentence of the definition of "Sector" in the Glossary to read, "The NIPP addresses the 17 CIKR sectors enumerated in HSPD-7 and any

additional sectors created by the Secretary of Homeland Security pursuant to HSPD-7."

For purposes of review, the NIPP can be found at <http://www.dhs.gov/nipp>.

Assistant Secretary, Office of Infrastructure Protection, Department of Homeland Security.

Agency Information Collection Activities: Extension of a Currently Approved Information Collection; Comment Request

ACTION: 60-Day Notice of Information Collection Under Review: File No. OMB-25, Special Immigrant Visas for Fourth Preference Employment-Based Broadcasters; OMB Control No. 1615-0064.

The Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) has submitted the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for sixty days until June 30, 2008.

Written comments and suggestions regarding items contained in this notice, and especially with regard to the estimated public burden and associated response time should be directed to the Department of Homeland Security (DHS), USCIS, Chief, Regulatory Management Division, Clearance Office, 111 Massachusetts Avenue, NW., Suite 3008, Washington, DC 20529. Comments may also be submitted to DHS via facsimile to 202-272-8352, or via e-mail at rfs.regs@dhs.gov. When submitting comments by e-mail please add the OMB Control Number 1615-0064 in the subject box.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques, or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Extension of a currently approved information collection.

(2) *Title of the Form/Collection:* Special Immigrant Visas for Fourth Preference Employment-Based Broadcasters.

(3) *Agency form number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection:* No Agency Form Number (File No. OMB-25); U.S. Citizenship and Immigration Services.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or Households. The information collected via the submitted supplemental documentation (as contained in 8 CFR 204.13(d)) will be used by the USCIS to determine eligibility for the requested classification as fourth preference employment-based immigrant broadcasters.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 100 responses at 2 hours per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 200 annual burden hours.

If you have additional comments, suggestions, or need a copy of the information collection instrument, please visit: <http://www.regulations.gov/search/index.jsp>.

BILLING CODE 9111-97-P

DEPARTMENT OF HOMELAND SECURITY

Bureau of U.S. Customs and Border Protection

Notice of Issuance of Final Determination Concerning Stereoscopic Display Models

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: Notice of final determination.

SUMMARY: This document provides notice that the Bureau of Customs and Border Protection (CBP) has issued a final determination concerning the country of origin of certain stereoscopic display models to be offered to the United States Government under an undesignated government procurement contract. CBP has concluded that, based upon the facts presented, the operations performed in the United States result in a substantial transformation of the goods. Therefore, the country of origin of the stereoscopic display models is the United States for purposes of U.S. Government procurement.

DATE: The final determination was issued on April 23, 2008. A copy of the final determination is attached. Any party-at-interest, as defined in 19 CFR 177.22(d), may seek judicial review of this final determination within 30 days of April 30, 2008.

FOR FURTHER INFORMATION CONTACT: Karen Greene, Valuation and Special Programs Branch, Regulations and Rulings, Office of International Trade (202-572-8838).

SUPPLEMENTARY INFORMATION: Notice is hereby given that on April 23, 2008, pursuant to subpart B of part 177, Customs Regulations (19 CFR part 177, subpart B), CBP issued a final determination concerning the country of origin of certain stereoscopic display models to be offered to the United States Government under an undesignated government procurement contract. The CBP ruling number is HQ H015324. This final determination was issued at the request of Planar Systems, Inc. under procedures set forth at 19 CFR part 177, subpart B, which implements Title III of the Trade Agreements Act of 1979, as amended (19 U.S.C. 2511-18).

In the final determination, CBP concluded that, based upon the facts presented, the operations performed in the United States resulted in a substantial transformation of the goods. Therefore, the stereoscopic display models are products of the United States.

Section 177.29, Customs Regulations (19 CFR 177.29), provides that notice of final determinations shall be published in the **Federal Register** within 60 days of the date the final determination is issued. Section 177.30, CBP Regulations (19 CFR 177.30), provides that any party-at-interest, as defined in 19 CFR 177.22(d), may seek judicial review of a final determination within 30 days of publication of such determination in the **Federal Register**.

Dated: April 23, 2008.

Mr. Harold Paul Luks, Poliner & Luks LLP, 1300 19th Street, NW., Suite 401, Washington, DC 20036.

RE: U.S. Government Procurement; Final Determination; country of origin of stereoscopic displays; substantial transformation; 19 CFR part 177

Dear Mr. Luks:

This is in response to your letter dated August 2, 2007, requesting a final determination on behalf of Planar Systems, Inc. ("Planar"), pursuant to subpart B of part 177, Customs and Border Protection ("CBP") Regulations (19 CFR 177.21 *et seq.*). Under these regulations, which implement Title III of the Trade Agreements Act of 1979, as amended (19 U.S.C. 2511 *et seq.*), CBP issues country of origin advisory rulings and final determinations on whether an article is or would be a product of a designated country or instrumentality for the purpose of granting waivers of certain "Buy American" restrictions in U.S. law or practice for products offered for sale to the U.S. Government.

This final determination concerns the country of origin of certain stereoscopic displays. We note that Planar is a party-at-interest within the meaning of 19 CFR 177.22(d)(1) and is entitled to request this final determination. Confidential treatment for certain business information identified in your request for a final determination will be extended in accordance with your request. Photographs of the manufacturing process were also submitted with your request. In preparing this final determination, consideration was given to your supplemental submissions dated August 23, 2007; September 25, 2007; November 9, 2007; November 13, 2007; and January 2, 2008.

Facts

The products subject to this final determination are stereoscopic display models, which, you explain, create three-dimensional digital images of video output by a computer or other stereoscopic video source. The stereoscopic display models and their key components were designed and developed in the United States through the use of Planar's proprietary StereoMirror™ technology. You advise that the stereoscopic
