

encourage SIG Indices, LLLP to continue maintaining indexes upon which options may be traded on the Exchange, thereby providing investors with enhanced investment opportunities.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to section 19(b)(3)(A) of the Act<sup>12</sup> and Rule 19b-4(f)(6) thereunder.<sup>13</sup>

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.<sup>14</sup> However, Rule 19b-4(f)(6)<sup>15</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. Phlx has requested that the Commission waive the 30-day operative delay. The Commission believes that granting this request is consistent with the protection of investors and the public interest because it will allow the Exchange to offer additional strike prices for options on the SIG KCI Coal Index to investors without delay. For this reason, the

Commission designates the proposal to be effective and operative upon filing with the Commission.<sup>16</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.
