National Institute of Mental Health; Notice of Meeting

Pursuant to section 10(a) of the Federal Advisory Committee Act, as amended (5 U.S.C. Appendix 2), notice is hereby given of a meeting of the Interagency Autism Coordinating Committee.

The meeting will be open to the public, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should inform the Contact Person listed below in advance of the meeting.

Name of Committee: Interagency Autism Coordinating Committee (IACC).

Date: July 15, 2008.

Time: 9 a.m. to 4 p.m.

Agenda: Review strategic planning workgroup comments on draft plan; discuss and approve draft strategic plan for autism spectrum disorder (ASD) research, summary of advances in ASD research, and process for implementation of strategic plan, report from Services Subcommittee; scientific presentation.

Place: Natcher Conference Center, National Institutes of Health, Rooms E1 and E2, 45 Center Drive, Bethesda, MD.

Contact Person: Tanya Pryor, Interagency Autism Coordinating Committee, National Institute of Mental Health, NIH, 6001 Executive Boulevard, Room 6187, MSC 9669, Bethesda, MD 20892-9669, (301) 443-7153, pryor@mail.nih.gov.

Any member of the public interested in presenting oral comments to the Committee should notify the Contact Person listed on this notice at least 10 days in advance of the meeting. Interested individuals and representatives of organizations should submit a letter of intent, a brief description of the organization represented, and a written copy of their oral presentation in advance of the meeting. Only one representative of an

organization will be allowed to present oral comments and presentations will be limited to a maximum of five minutes. Both printed and electronic copies are requested for the record. In addition, any interested person may file written comments with the Committee by forwarding their statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit. All visitors should be prepared to have their personal belongings inspected and to go through metal detection inspection. You are strongly encouraged to take public transportation to the NIH campus as there are very few visitor parking spaces available. If you must drive, short-term metered parking may be available near the Natcher Conference Center in Lot B. Natcher is a 5-minute walk from the Medical Center Station on the Red Line of the Metro.

A registration link and information about the about the IACC meeting will be available on the IACC Web site: <http://www.nimh.nih.gov/research-funding/scientific-meetings/recurring-meetings/iacc/events/index.shtml>.

SUPPLEMENTARY INFORMATION:

I. Abstract

The North American Waterfowl Management Plan (NAWMP) is a tripartite agreement among Canada, Mexico, and the United States to enhance, restore, and protect habitat to benefit waterfowl and other wetlands-associated wildlife. Because the NAWMP did not include a mechanism to provide for broadly based and sustained financial support for wetland conservation activities, Congress passed the North American Wetlands Conservation Act in 1989. The NAWCA promotes, through partnerships between the private and public sectors, long-term conservation of North American wetland ecosystems and the waterfowl and other migratory birds, fish, and wildlife that depend upon such habitat.

In addition to providing for a continuing and stable funding base, NAWCA establishes an administrative body, the North American Wetlands Conservation Council. It is made up of a State representative from each of the four flyways, three representatives from nonprofit wetlands conservation organizations, the Secretary of the Board of the National Fish and Wildlife Foundation, and the Director of the Fish and Wildlife Service. The Council recommends funding of select wetlands conservation project proposals to the Migratory Bird Conservation Commission.

There is a Standard and a Small Grants Program. Both are competitive grants programs and require that grant requests be matched by partner

contributions at no less than a 1-to-1 ratio. Funds from U.S. Federal sources may contribute to a project, but are not eligible as match.

The Standard Grants Program supports projects in Canada, the United States, and Mexico that involve long-term protection, restoration, and/or enhancement of wetlands and associated uplands habitats. In Mexico, partners may also conduct projects involving technical training, environmental education and outreach, organizational infrastructure development, and sustainable-use studies.

The Small Grants Program operates only in the United States. It supports the same type of projects and adheres to the same selection criteria and administrative guidelines as the U.S. Standard Grants Program. However, project activities are usually smaller in scope and involve fewer project dollars. Grant requests may not exceed \$75,000, and funding priority is given to grantees or partners new to the NAWCA Grants Program.

We publish notices of funding availability on the Grants.gov website (<http://www.grants.gov>) as well as in the Catalog of Federal Domestic Assistance. To compete for grant funds, partnerships submit applications that describe in substantial detail project locations, project resources, future benefits, and other characteristics that meet the standards established by the Council and the requirements of NAWCA. Materials that describe the program and assist applicants in formulating project proposals for Council consideration are available on our website at <http://www.fws.gov/birdhabitat/Grants/NAWCA>. Persons who do not have access to the Internet may obtain instructional materials by mail. We have not made any major changes in the scope and general nature of the instructions since the OMB first approved the information collection in 1999.
