

Assessment Rates

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For those companies for which this review has been rescinded and which have a separate rate, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). The Department will issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: June 18, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Background

On January 11, 2008, the Department of Commerce ("Department") initiated the new shipper review of the antidumping duty order on cut-to-length carbon steel plate from the People's Republic of China with respect to Hunan Valin Xiangtan Iron & Steel Co., Ltd., covering the period November 1, 2006, through October 31, 2007. *See Certain Cut-to-Length Carbon Steel Plate From the People's Republic of China; Initiation of New Shipper Review*, 73 FR 3236 (January 17, 2008). The preliminary results of this new shipper review are currently due no later than July 9, 2008.

Extension of Time Limit of Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), requires that the Department issue preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated. *See also* 19 CFR 351.214(i)(1). The Act further provides that the Department may extend that 180-day period to 300 days if it determines that the case is extraordinarily complicated. *See* 19 CFR 351.214(i)(2).

The final results continue to be due 90 days after the publication of the preliminary results.

This notice is issued and published pursuant to section 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: June 18, 2008.
