SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58096; File No. SR-NYSE-2008-54]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Extend the Operative Date of the NYSE Rule 2 Requirement That NYSE-Only Member Organizations Apply for and Be Approved as Members of the Financial Industry Regulatory Authority, Inc.

July 3, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 30, 2008, the New York Stock Exchange LLC ("NYSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been substantially prepared by the Exchange. The Exchange has designated the proposed rule change as a change concerned solely with the administration of the Exchange pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(3) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend to December 31, 2008, the operative date of the NYSE Rule 2 requirement that NYSE-only member organizations apply for and be approved as members of the Financial Industry Regulatory Authority, Inc. ("FINRA"). The text of the proposed rule change is available at NYSE, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change. The text of these statements may be examined at

the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to extend to December 31, 2008, the grace period for NYSE-only member organizations to apply for and be approved as FINRA members, as required by NYSE Rule 2.

In connection with the consolidation of NASD and NYSE Regulation, Inc. member firm regulation operations into FINRA, which closed on July 30, 2007, the Exchange amended NYSE Rule 2 to require NYSE member organizations to also be FINRA members.⁵ In connection with that rule change, the Commission approved a 60-day grace period within which NYSE-only member organizations must apply for and be approved for FINRA membership. In that rule filing, NYSE-only member organizations were defined as those member organizations that were not NASD members as of the date of the closing of the FINRA transaction. This grace period began on October 12, 2007, the date of Commission approval of the Exchange's rule filing. In furtherance of the consolidation, FINRA adopted NASD IM-1013-1 to enable eligible NYSE member organizations to become FINRA members through an expedited process (the "FINRA Waive-in application process").⁶

At the close of the 60-day grace period, all but two of the former NYSE-only member organizations had applied for and been approved as FINRA members. On December 12, 2007, the Exchange filed for an extension of the grace period to June 30, 2008 for those two firms.⁷ In that filing, the Exchange noted that those two firms had unique member qualification issues and were ineligible to participate in the FINRA Waive-in application process. As of June 30, 2008, these two firms have not yet been approved as FINRA firms, but are being considered for FINRA membership. Accordingly, the NYSE proposes to extend the grace period to December 31, 2008 for these two firms,

to provide time for those issues to be resolved, including time for the firms to apply for and be approved as FINRA members through FINRA's regular member approval process.

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(5)⁸ that an Exchange have rules that are designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change is concerned solely with the administration of the Exchange, it is effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(3)¹⁰ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
