1. *Selection Criteria:* The selection criteria for this program are established by the JKJ Program Fellowship Board, pursuant to Section 702(a)(2) of the HEA and 34 CFR 650.20(a). The selection criteria for applications in the humanities and social sciences are: (a) Statement of purpose (150 points); (b) Letters of recommendation (100 points); (c) Academic record (100 points); and (d) Scholarly awards/honors (50 points). 2. *Review and Selection Process:* The review and selection process for the JKJ Fellowship Program consists of a two-part process. Eligible applications are read and rated by a panel of distinguished scholars and academics in the arts, humanities, and social sciences on the basis of demonstrated scholarly achievements and exceptional promise. The second part of the evaluation is a determination of financial need.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we will notify you by telephone and we will send a Grant Award Notice (GAN) directly to the institution you will be attending.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section in this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* On an annual basis, fellows must submit their Student Aid Report to the Javits Program Coordinator at their institution, as directed by the Secretary, pursuant to 34 CFR 650.37. In addition, Javits fellows are required to submit an annual performance report. The Department will contact fellows regarding the completion of the annual performance report.

4. *Performance Measures:* The effectiveness of the JKJ Fellowship Program will be measured by graduate

completion rates, time-to-degree completion rates, and the costs per Ph.D or master's degree of talented graduate students with demonstrated financial need who are pursuing the highest degree available in their designated fields of study. Institutions of higher education in which the fellows are enrolled are required to submit an annual report documenting the fellows' satisfactory academic progress and the determined financial need. Javits fellows are also required to submit an annual performance report to assist program staff in tracking time-to-degree completion rates, graduation rates, as well as the employment status of individual fellows. The Department will use the reports to assess the program's success in assisting fellows in completing their course of study and receiving their degree.
