

2. The final Order takes effect on January 1, 2007, and will expire at the first change of the scheduling season occurring no less than 90 days after the issuance of a final rule regulating congestion at LaGuardia.

3. No person can operate an aircraft other than a helicopter to or from LaGuardia unless the operator has received, for that unscheduled operation, a reservation that is assigned by the David J. Hurley Air Traffic Control System Command Center's Airport Reservation Office (ARO). Additional information on procedures for obtaining a reservation will be available via the Internet at <http://www.fly.faa.gov/ecvrs>.

4. Three (3) reservations are available per hour for unscheduled operations at LaGuardia. The ARO will assign reservations on a 30-minute basis.

5. The ARO receives and processes all reservation requests. Reservations are assigned on a "first-come, first-served" basis, determined as of the time that the ARO receives the request. A cancellation of any reservation that will not be used as assigned would be required.

6. Filing a request for a reservation does not constitute the filing of an instrument flight rules (IFR) flight plan, as separately required by regulation. After the reservation is obtained, an IFR flight plan can be filed. The IFR flight plan must include the reservation number in the "remarks" section.

7. Air Traffic Control will accommodate declared emergencies without regard to reservations. Non-emergency flights in direct support of national security, law enforcement, military aircraft operations, or public-use aircraft operations will be accommodated above the reservation limits with the prior approval of the Vice President, System Operations Services, Air Traffic Organization. Procedures for obtaining the appropriate reservation for such flights are available via the Internet at <http://www.fly.faa.gov/ecvrs>.

8. Notwithstanding the limits in paragraph 4, if the Air Traffic Organization determines that air traffic control, weather, and capacity conditions are favorable and significant delay is not likely, the FAA can accommodate additional reservations over a specific period. Unused operating authorizations can also be temporarily made available for unscheduled operations. Reservations for additional operations are obtained through the ARO.

9. Reservations cannot be bought, sold, or leased.

Issued in Washington, DC, on August 12, 2008.

#### Background

On May 11, 2004, the President issued Executive Order 13338 pursuant to, inter alia, the International Emergency Economic Powers Act, 50 U.S.C. 1701 *et seq.*, the National Emergencies Act, 50 U.S.C. 1601 *et seq.*, the Syria Accountability and Lebanese Sovereignty Restoration Act of 2003, Public Law 108-175, and section 301 of title 3, United States Code. In Executive Order 13338, the President declared a national emergency to address the threat posed by the actions of the Government of Syria in supporting terrorism,

continuing its occupation of Lebanon, pursuing weapons of mass destruction and missile programs, and undermining the United States and international efforts with respect to the stabilization and reconstruction of Iraq.

On February 13, 2008, the President issued Executive Order 13460 (the "Order") pursuant to, inter alia, the International Emergency Economic Powers Act, 50 U.S.C. 1701 *et seq.*, the National Emergencies Act, 50 U.S.C. 1601 *et seq.*, and section 301 of title 3, United States Code. In the Order, the President found that the Government of Syria continues to engage in certain conduct that formed the basis for the national emergency declared in Executive Order 13338 of May 11, 2004, including but not limited to undermining efforts with respect to the stabilization of Iraq. The President further found that the conduct of certain members of the Government of Syria and other persons contributing to public corruption related to Syria, including by misusing Syrian public assets or by misusing public authority, entrenches and enriches the Government of Syria and its supporters and thereby enables the Government of Syria to continue to engage in certain conduct that formed the basis for the national emergency declared in Executive Order 13338.

Section 1 of the Order blocks, with certain exceptions, all property and interests in property of the following persons, that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of United States persons: Persons who are determined by the Secretary of the Treasury, in consultation with the Secretary of State, to be responsible for, to have engaged in, to have facilitated, or to have secured improper advantage as a result of, public corruption by senior officials within the Government of Syria.

On July 10, 2008, the Secretary of the Treasury identified two entities in which Rami Makhluf, whose property and interests in property are blocked pursuant to Executive Order 13460, owns, directly or indirectly, a 50 percent or greater interest. Therefore, all property and interests in property of such entities are blocked.

The list of blocked entities is as follows:

1. RAMAK (a.k.a. RAMAK DUTY FREE; a.k.a. RAMAK DUTY FREE SHOP LTD; a.k.a. RAMAK DUTY FREE SHOPS—SYRIA; a.k.a. RAMAK DUTY FREE SHOPS LTD.; a.k.a. RAMAK FIRM FOR FREE TRADE ZONES), Free Zone Area, Jamarek, P.O. Box 932, Damascus, Syria; Al Rawda Street, P.O. Box 932,
