#### **SUPPLEMENTARY INFORMATION:**

##### **1. Background**

During the legislative approval process for the CAFTA–DR, the Administration and the Congress reached an understanding on the need to support labor capacity-building efforts linked to recommendations identified in the White Paper of the Working Group of the Vice Ministers Responsible for Trade and Labor in the countries of Central America and the Dominican Republic. A total of \$130 million was appropriated in support of labor and environment capacity-building in FY 2005 through FY 2008, with an additional \$40 million anticipated for FY 2009.

Areas of focus were identified through a cooperative process and dialogue between the United States and its CAFTA–DR partners (Costa Rica, the Dominican Republic, El Salvador, Guatemala, Honduras, and Nicaragua) as envisaged by the Labor Chapter and Annex 16.5 of the CAFTA–DR. The multi-year assistance effort focuses on building the capacity of the ministries of labor to more effectively enforce labor laws, training labor inspectors, developing and distributing public awareness materials, assessing the information technology needs of the ministries of labor, and providing technical assistance to the labor justice system in Central America and the Dominican Republic.

For more information on these initiatives, see the full text of the CAFTA–DR and the White Paper as well as other relevant fact sheets and reports posted on the respective Web sites of the Office of the United States Trade Representative, [http://www.ustr.gov/Trade\\_Agreements/Regional/CAFTA/Section\\_Index.html](http://www.ustr.gov/Trade_Agreements/Regional/CAFTA/Section_Index.html), and the ILO Subregional Office for Central America, Haiti, Panama and the Dominican Republic, <http://web.oit.or.cr/> (follow the link to: Sector IV, Dialogo Social, and then link to: Verification of the

White Paper, Central America and the Dominican Republic).

Under section 403(a) of the CAFTA–DR Implementation Act, 19 U.S.C. 4111(a), the President must report biennially to the Congress on the progress made by the CAFTA–DR countries in implementing the labor obligations and the labor capacity-building provisions found in the Labor Chapter and Annex 16.5 and implementing the recommendations contained in the White Paper. Section 403(a)(4) requires the President to establish a mechanism to solicit public comments on the matters described in section 403(a)(3)(D) of the CAFTA–DR Implementation Act, 19 U.S.C. 4111(a)(4).

By Proclamation, the President delegated the reporting function and the responsibility for soliciting public comments under section 403(a) of the CAFTA–DR Implementation Act, 19 U.S.C. 4111(a), to the Secretary of Labor, in consultation with the United States Trade Representative. Proclamation No. 8272, 73 FR 38,297 (June 30, 2008). This notice serves to request public comments as required by this section.

##### **2. Information Sought**

1. Capacity-building efforts by the United States government envisaged by Article 16.5 of the CAFTA–DR Labor Chapter and Annex 16.5;
2. Efforts by the United States government to facilitate full implementation of the White Paper recommendations; and
3. Efforts made by the CAFTA–DR countries to comply with Article 16.5 of the Labor Chapter and Annex 16.5 and to fully implement the White Paper recommendations, including progress made by the CAFTA–DR countries in affording to workers internationally-recognized worker rights through improved capacity.

### Employment and Training Administration

[TA-W-58,624]

#### **Fairchild Semiconductor International, Including On-Site Leased Workers From Manpower, Inc., Mountain Top, PA; Amended Revised Determination on Remand**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor (Department) issued a Notice of Revised Determination on Remand on July 22, 2008. The Department's Notice of determination will soon be published in the **Federal Register**.

At the request of the State agency, the Department reviewed the Revised Determination on Remand for workers of the subject firm. The Department determined that, while the July 22, 2008 certification set the impact date at January 11, 2005, one year prior to the date on the petition, the previous certification covering workers of the Mountain Top, Pennsylvania location of the subject firm, TA-W-53,335, did not expire until almost 11 months later, on

December 2, 2005. To avoid an overlap in worker group coverage for the Mountain Top, Pennsylvania location, the Revised Determination on Remand is being amended to change the impact date from January 11, 2005 to December 3, 2005.

As a result of this amendment, Fairchild Semiconductor International, Mountain Top, Pennsylvania workers separated between January 11, 2005 and December 2, 2005, will continue to be covered under the certification issued in TA-W-53,335, and will not be covered under the certification issued in TA-W-58,624.

New information also provided by the State agency shows that leased workers of Manpower, Inc. were employed on-site at the Mountain Top, Pennsylvania location of Fairchild Semiconductor International. The Department has determined that these workers were engaged in various support activities and were sufficiently under the control of the subject firm to be considered leased workers during the relevant period.

Accordingly, the Department is amending the Revised Determination on Remand to reflect the amended certification period and to include all on-site workers under the control of Fairchild Semiconductor International who were adversely affected.

The amended notice applicable to TA-W-58,624 is hereby issued as follows:

"All workers of Fairchild Semiconductor International, Mountain Top, Pennsylvania, who became totally or partially separated from employment on or after December 3, 2005, through July 22, 2010, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974"; and

"All leased workers of Manpower, Inc. working on-site at Fairchild Semiconductor International, Mountain Top, Pennsylvania, who became totally or partially separated from employment on or after January 11, 2005, through July 22, 2010, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974."

Signed at Washington, DC, this 6th day of August 2008.
