

Final Results of Antidumping Duty Administrative Review, 61 FR 6812 (February 22, 1996), (where the Department disregarded the highest margin in that case as adverse best information available (the predecessor to facts available) because the margin was based on another company's uncharacteristic business expense, resulting in an unusually high margin). Similarly, the Department does not apply a margin that has been discredited. *See D & L Supply Co. v. United States*, 113 F.3d 1220, 1221 (Fed. Cir. 1997) (the Department will not use a margin that has been judicially invalidated). There is no information reasonably available at our disposal in this review to corroborate the relevance of the AFA rate in question, which, as discussed above, was last corroborated in the *LTFV Investigation*. We cannot use the margin calculations of other companies because there are no other respondents in this review. Therefore, because there is no record evidence calling into question the relevance of the selected AFA rate, we find that it is relevant for use in this administrative review.

Because the AFA rate, 66.65 percent, is both reliable and relevant, we determine that it has probative value. As a result, the Department determines that the 66.65 percent rate is corroborated for the purposes of this administrative review and may reasonably be applied to the PRC-wide entity, as AFA.

Preliminary Results of the Review

The Department preliminarily finds that the following margins exist for the following exporters under review during the period December 1, 2006, through November 30, 2007:

PORCELAIN-ON-STEEL COOKING WARE FROM THE PRC

Manufacturer/Exporter	Weighted-Average Margin (Percent)
PRC-Wide Entity (which includes Xiamen Songson Plastic Hardware Co., Ltd.)	66.65

Assessment of Antidumping Duties

The Department will determine, and CBP shall assess, antidumping duties on all appropriate entries. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of the final results of this review. If these preliminary results are adopted in our final results of the review, we will direct CBP to assess the resulting rate against the entered customs value for the subject merchandise on each importer's/customer's entries during the POR, as appropriate.

Cash Deposit Requirements

The following cash-deposit requirements will be effective upon publication of the final results for shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results, as provided by section 751(a)(2)(C) of the Act: (1) for subject merchandise exported by the PRC, including Songson, the cash-deposit rate will be equal to 66.65 percent; (2) the cash-deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding will continue to be the rate assigned in that segment of the proceeding; (3) for all other PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash-deposit rate will be the PRC-wide rate of 66.65 percent; (4) for all non-PRC exporters of subject merchandise, the cash-deposit rate will

be the rate applicable to the PRC exporter that supplied that exporter.

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice is in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: September 2, 2008.

David M. Spooner,

Assistant Secretary for Import Administration.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada, and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). (b) A Party, investigating authority or interested person that does not file a Complaint but that intends to appear in support of any reviewable portion of the final determination may participate in the panel review by filing a Notice of Appearance in accordance with Rule 40 within 45 days after the filing of the first Request for Panel Review (the deadline for filing a Notice of Appearance is October 14, 2008); and

(c) The panel review shall be limited to the allegations of error of fact or law, including the jurisdiction of the investigating authority, that are set out in the Complaints filed in the panel review and the procedural and substantive defenses raised in the panel review.

The International Buyer Program was established to bring international buyers together with U.S. firms by promoting leading U.S. trade shows in industries with high export potential. The International Buyer Program emphasizes cooperation between the DOC and trade show organizers to benefit U.S. firms exhibiting at selected events and provides practical, hands-on assistance such as export counseling and market analysis to U.S. companies interested in exporting. The assistance provided to show organizers includes worldwide overseas promotion of selected shows to potential international buyers, end-users, representatives and distributors. Shows selected for the International Buyer Program will provide a venue for U.S. companies interested in expanding their sales into international markets. Successful show organizer applicants will be required to enter into a Memorandum of Agreement (MOA) with the DOC. The MOA constitutes an agreement between the DOC and the show organizer specifying which responsibilities are to be undertaken by

the DOC as part of the International Buyer Program and, in turn, which responsibilities are to be undertaken by the show organizer. Anyone requesting application information will be sent a sample copy of the MOA along with the application and a copy of this **Federal Register** Notice. The responsibilities to be undertaken by the DOC will be carried out by the Commercial Service.
