Mail, email, or fax your comments and recommendations on the information

collection(s) to the OMB Desk Officer and the SSA Reports Clearance Officer to the addresses or fax numbers listed below.

5. *Review of the Disability Hearing Officer's Reconsidered Determinations Before It Is Issued—20 CFR 404.913–404.918, 404.1512–404.1515, 404.1589, 416.912–416.915, 416.989, 416.1413–416.1418, 404.918(d) and 416.1418(d)—0960–0709.* When SSA approves a claim for Social Security disability benefits or SSI payments, it periodically conducts a continuing disability review (CDR) during which the agency reviews the claimant's status to see if his/her condition has improved to the point where the claimant is capable of working. If SSA notifies a claimant that the agency will cease paying benefits, the claimant may appeal that determination. The first appeal gives the claimant the opportunity for a full evidentiary hearing before a disability hearing officer (DHO). A federal component reviews a small sample of

the DHO's determinations. It is rare for the reviewing component to reverse a DHO determination favorable to the claimant. Before SSA can produce the unfavorable determination, the claimant has 10 days to provide a written statement explaining why SSA should not stop payments. That written statement is the information collected in this process. Respondents are CDR claimants whose benefits are going to cease.

*Type of Request:* Extension of an OMB-approved information collection.

*Number of Respondents:* 8.

*Frequency of Response:* 1.

*Average Burden per Response:* 60 minutes.

*Estimated Annual Burden:* 8 hours.

6. *Farm Arrangement Questionnaire—20 CFR 404.1082(c)—0960–0064.* When self-employed workers submit earnings data to SSA, they cannot count rental income from a farm unless they demonstrate "material participation" in the farm's operation. A material participation arrangement means the farm owners who are seeking to have earnings counted by SSA must perform a combination of physical duties, management decisions, and capital investment in the farm they are renting out. In such cases, SSA uses form SSA-7157, the Farm Arrangement Questionnaire, to document material

participation. The respondents are workers who are renting farmland to other people and who are involved in the operation of the farm and want to claim countable income from their work there.

7. *Disability Update Report—20 CFR 404.1589–.1595, 416.988–.996—0960–0511.* SSA periodically reviews current disability cases to determine if the recipients should continue to receive disability payments. In cases where these reviews indicate beneficiaries might have experienced a medical improvement, SSA must investigate further. The agency uses form SSA-455/SSA-455-OCR-SM, the Disability Update Report, for this purpose. Specifically, SSA uses the information it gathers on this form to determine if (1) there is enough evidence to warrant referring the beneficiary for a full medical CDR (2) the beneficiary's impairment has not changed enough to warrant a CDR; or (3) there are unresolved work-related issues for the beneficiary. The respondents are Title II

and Title XVI disability payment recipients.

*Type of Request:* Extension of an OMB-approved information collection.

*Number of Respondents:* 880,000.

*Frequency of Response:* 1.

*Average Burden per Response:* 15 minutes.

**SUPPLEMENTARY INFORMATION:**

### **A. General**

The Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503), amended the Privacy Act (5 U.S.C. 552a) by describing the conditions under which computer matching involving the Federal government could be performed and adding certain protections for individuals applying for, and receiving, Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such individuals.

The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State or local government records. It requires Federal agencies involved in computer matching programs to:

(1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

(2) Obtain the approval of the matching agreement by the Data Integrity Boards (DIB) of the participating Federal agencies;

(3) Publish notice of the computer matching program in the **Federal Register**;

(4) Furnish detailed reports about matching programs to Congress and OMB;

(5) Notify applicants and beneficiaries that their records are subject to matching; and

(6) Verify match findings before reducing, suspending, terminating or denying an individual's benefits or payments.

### **Notice of Computer Matching Program, Social Security Administration (SSA) With the Centers for Medicare and Medicaid (CMS)**

#### **A. PARTICIPATING AGENCIES**

SSA and CMS.

#### **B. PURPOSE OF THE MATCHING PROGRAM**

The purpose of this agreement is to establish the conditions, terms and safeguards under which CMS agrees to the ongoing disclosure of certain skilled nursing facility admission data by CMS

to SSA. CMS will disclose the data through a computer matching operation for SSA's use in identifying Supplemental Security Income (SSI) recipients who did not report their admission to a facility as required under applicable provisions of the Social Security Act (the Act). Such admission would subject the amount of SSI which an individual could receive for any month throughout which the individual is in such a facility to a reduced benefit rate. The SSI program provides payments to aged, blind and disabled recipients with income and resources below levels established by law and regulations.

SSA will use other benefit information for the Title VIII, Special Veterans' Benefits (SVB) determinations of entitlement and benefit amount. Other benefit information is defined as any recurring payment received as an annuity, pension, retirement or disability benefit. The match will be used to identify those SVB beneficiaries who are no longer residing outside the United States.

#### **C. AUTHORITY FOR CONDUCTING THE MATCHING PROGRAM**

This Matching Agreement between SSA and CMS is executed pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), as amended (Pub. L. 100-503, the Computer Matching and Privacy Protection Act (CMPPA) of 1988), the Office of Management and Budget (OMB) Circular A-130, titled "Management of Federal Information Resources" at 61 FR 6428-6435 (February 20, 1996), and OMB guidelines pertaining to computer matching at 54 FR 25818 (June 19, 1989).

Legal authority for the SSI portion of the matching program described above is contained in sections 1611(e)(1)(A) and (B) and 1631(f) of the Act (42 U.S.C. 1382(e)(1)(A) and (B) and 1383(f)); see also 20 CFR 416.211.

Legal authority for the SVB portion of the matching program is contained in sections 801 and 806(a) and (b) of the Act (42 U.S.C. 1001 and 1006(a) and (b)).

#### **D. CATEGORIES OF RECORDS AND INDIVIDUALS COVERED BY THE MATCHING PROGRAM**

SSA will provide CMS with a finder file on a monthly basis extracted from SSA's Supplemental Security Income Record and Special Veterans Benefits (SSR/SVB), SSA/ODSSIS 60-0103, with identifying information with respect to recipients of SSI benefits. CMS will match the SSA finder file against the system of records for individuals on the Long-Term Care Minimum Data Set
