PART 129—REGISTRATION AND LICENSING OF BROKERS

■ 4. The authority citation for part 129 continues to read as follows:

Authority: Sec. 38, Pub. L. 104–164, 110 Stat. 1437 (22 U.S.C. 2778).

■ 5. Section 129.4 is amended by revising paragraph (a) to read as follows:

§ 129.4 Registration statement and fees.

(a) *General.* The Department of State Form DS–2032 (Statement of Registration) and the transmittal letter meeting the requirements of § 122.2(b) of this subchapter must be submitted by an intended registrant with a payment by check, payable to the Department of State, of the fees prescribed in Section 122.3(a) of this subchapter. Foreign brokers must submit a check in U.S. dollars payable through a U.S. financial institution that includes the registrant's legal name and address on the check. The Statement of Registration and transmittal letter must be signed by a senior officer (e.g., Chief Executive Officer, President, Secretary, Partner, Member, Treasurer, General Counsel)

who has been empowered by the intended registrant to sign such documents. The intended registrant shall also submit documentation that demonstrates that it is incorporated or otherwise authorized to do business in the United States. The requirement to submit a Department of State Form DS–2032 and to submit documentation demonstrating incorporation or authorization to do business in the United States does not exclude foreign persons from the requirement to register. Foreign persons who are required to register shall provide information that is substantially similar in content as that which a U.S. person would provide under this provision (e.g., foreign business license or similar authorization to do business). The Directorate of Defense Trade Controls will notify the registrant if the Statement of Registration is incomplete either by notifying the registrant of what information is required or through the return of the entire registration package with payment. Registrants may not establish new entities for the purpose of reducing registration fees.
