

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) ¹⁰ of the Act and Rule 19b-4(f)(6) ¹¹ thereunder. The proposed rule change effects a change that (A) Does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

The Exchange believes that good cause, consistent with the provisions of Rule 19b-4(f)(6), exists to justify making the rule change immediately effective. Because the proposed rule is based on a rule that has been previously approved by the Commission, and because the proposed rule would in any event be operative only until a more robust and market-appropriate rule was implemented, the NYSE believes that the proposed rule is non-controversial. Moreover, the NYSE believes that the absence of such a rule in an automated and fast-paced trading environment poses a danger to the integrity of the markets and the public interest, and that this exigency justifies filing the rule for immediate effectiveness rather than using the regular Rule 19b-2 process, which would require the Exchange to continue without the protection of the proposed rule until the expiration of the prescribed time periods for notice, comment and approval. In contrast, immediate effectiveness of the proposed rule will immediately and timely enable the NYSE to cancel or adjust clearly erroneous trades that may present a risk to the integrity of the equities markets and all related markets. The proposed rule will also allow the Exchange to protect customers and the public interest, and to continue to provide economically efficient execution of securities transactions.

The NYSE also requests that the Commission waive the five-day period for notice of intent to file this proposed

rule change, and the 30-day period before the rule becomes operative, both of which are prescribed by Rule 19b-4(f)(6), but which may be waived pursuant to Rule 19b-4(f)(6)(iii) ¹² if such action is consistent with the protection of investors and public interest. ¹³ The Exchange believes that waiver of these time periods so that the rule may be immediately operative are consistent with the protection of investors and the public interest for the reasons described above.

The Commission believes that waiving the 30-day operative delay will allow the Exchange to continue to immediately and timely cancel or adjust trades that it determines to be clearly erroneous under Rule 128. The Commission believes that the extension of NYSE Rule 128 until January 9, 2009 will allow the Exchange to continue to apply the rule without interruption and is consistent with the protection of investors and the public interest. The Commission hereby designates the proposal as operative upon filing. ¹⁴ The Commission has determined to waive the five-day pre-filing period in this case.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NYSE-2008-99 on the subject line.

¹² 17 CFR 240.19b-4(f)(6)(iii).

¹³ In fact, the Commission notes, under Rule 19b-4(f)(6)(iii), the "consistent with the protection of investors and public interest" standard applies only to the Commission's waiver of the 30-day operative delay. Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

¹⁴ For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the NYSE.
