DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-R-137]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, Department of Health and Human Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this

collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. Type of Information Collection Request: Extension of a currently approved collection; **Title of Information Collection:** Internal Revenue Service (IRS)/Social Security Administration (SSA)/Centers for Medicare and Medicaid Services (CMS) Data Match and Supporting Regulations in 42 CFR 411.20-491.206 **Use:** Medicare Secondary Payer (MSP) is essentially the same concept known in the private insurance industry as coordination of benefits; it refers to those situations where Medicare assumes a secondary payer role to certain types of private insurance for covered services provided to a Medicare beneficiary.

Congress sought to reduce the losses to the Medicare program by requiring in 42 U.S.C. 1395y(b)(5) that the Internal Revenue Service (IRS), the Social Security Administration (SSA), and CMS perform an annual data match (the IRS/SSA/CMS Data Match, or "Data Match" for short). CMS uses the information obtained through Data Match to contact employers concerning possible application of the MSP provisions by requesting information about specifically identified employees (either a Medicare beneficiary or the working spouse of a Medicare beneficiary). This statutory data match and employer information collection activity enhances CMS's ability to identify both past and present MSP situations. **Form Number:** CMS-R-137 (OMB# 0938-0763); **Frequency:** Annually; **Affected Public:** Business or other for-profit, not-for-profit institutions, Farms, State, Local or Tribal Governments; **Number of Respondents:** 326,597; **Total Annual Responses:** 326,597; **Total Annual Hours:** 1,900,795.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, access CMS' Web site at <http://www.cms.hhs.gov/PaperworkReductionActof1995>, or E-mail your request, including your address, phone number, OMB number, and CMS document identifier, to Paperwork@cms.hhs.gov, or call the

Reports Clearance Office on (410) 786-1326.

In commenting on the proposed information collections please reference the document identifier or OMB control number. To be assured consideration, comments and recommendations must be submitted in one of the following ways by *December 22, 2008*:
