BILLING CODE 4140-01-P

DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

[Docket No. DHS-2008-0013]

Privacy Act of 1974; Department of Homeland Security Claims Records; System of Records

AGENCY: Privacy Office; DHS.

ACTION: Notice of Privacy Act system of records.

SUMMARY: In accordance with the Privacy Act of 1974 and as part of the Department of Homeland Security's ongoing effort to review and update legacy system of record notices, the Department of Homeland Security proposes to consolidate nine legacy record systems: DOT/CG 508 Claims and Litigation, Treasury/CS.045 Claims Act File, Treasury/CS.046 Claims Case File, Treasury/CS.144 Mail Protest File, Treasury/CS.148 Military Personnel and Civilian Employees' Claims Act File, Treasury/CS.232 Tort Claims Act File, Treasury/CS.234 Tort Claims Act File, Treasury/CS.268 Military Personnel and Civilian Employees' Claim Act File, and FEMA/GC-1 Claims (litigation) into one Department of Homeland Security-wide

system of records. The Department of Homeland Security also proposes to partially consolidate one legacy record system: Treasury/USSS.001 Administrative Information System, August 28, 2001, into this Department-wide system of records. This system will allow the Department of Homeland Security to respond to, and process, claims submitted to, or by, the Department of Homeland Security, including requests for waivers of claims. Categories of individuals, categories of records, and the routine uses of these legacy system of records notices have been consolidated and updated to better reflect the Department's claims record systems. Additionally, DHS is issuing a Notice of Proposed Rulemaking (NPRM) concurrent with this SORN elsewhere in the **Federal Register**. The exemptions for the legacy system of records notices will continue to be applicable until the final rule for this SORN has been completed. This consolidated system, titled Claims Records, will be included in the Department's inventory of record systems.

SUPPLEMENTARY INFORMATION:

I. Background

Pursuant to the savings clause in the Homeland Security Act of 2002, Public Law 107-296, Section 1512, 116 Stat. 2310 (November 25, 2002), the Department of Homeland Security (DHS) and its components and offices

have relied on preexisting Privacy Act systems of records notices for the collection and maintenance of records that concern claims submitted to DHS.

As part of its efforts to streamline and consolidate its Privacy Act records systems, DHS is establishing a new agency-wide system of records under the Privacy Act (5 U.S.C. 552a) for DHS claims records. This will ensure that all components of DHS follow the same privacy rules for collecting and maintaining records on claims. DHS will use this system to collect and maintain claims submitted to it by DHS personnel and others.

In accordance with the Privacy Act of 1974 and as part of DHS's ongoing effort to review and update legacy system of record notices, DHS proposes to consolidate nine legacy record systems: DOT/CG 508 Claims and Litigation (65 FR 19475 April 11, 2000), Treasury/CS.045 Claims Act File (66 FR 52984 October 18, 2001), Treasury/CS.046 Claims Case File (66 FR 52984 October 18, 2001), Treasury/CS.144 Mail Protest File (66 FR 52984 October 18, 2001), Treasury/CS.148 Military Personnel and Civilian Employees' Claims Act File (66 FR 52984 October 18, 2001), Treasury/CS.232 Tort Claims Act File (66 FR 52984 October 18, 2001), Treasury/CS.234 Tort Claims Act File (66 FR 52984 October 18, 2001), Treasury/CS.268 Military Personnel and Civilian Employees' Claim Act File (66 FR 52984 October 18, 2001), and FEMA/GC-1, Claims (litigation) (66 FR 47228 September 11, 2001) into one DHS-wide system of records. DHS also proposes to partially consolidate one legacy record system: Treasury/USSS.001 Administrative Information System (66 FR 45362 August 28, 2001) into this Department-wide system of records. This system will allow DHS to respond to, and process, claims submitted to, or by, DHS, including requests for waivers of claims. Categories of individuals, categories of records, and the routine uses of these legacy system of records notices have been consolidated and updated to better reflect DHS's claims record systems. Additionally, DHS is issuing a Notice of Proposed Rulemaking (NPRM) concurrent with this SORN elsewhere in the **Federal Register**. The exemptions for the legacy system of records notices will continue to be applicable until the final rule for this SORN has been completed. This consolidated system of records, titled Claims Records, will be included in DHS's inventory of record systems.

II. Privacy Act

The Privacy Act embodies fair information principles in a statutory

framework governing the means by which the United States Government collects, maintains, uses, and disseminates individuals' records. The Privacy Act applies to information that is maintained in a "system of records." A "system of records" is a group of any records under the control of an agency for which information is retrieved by the name of an individual or by some identifying number, symbol, or other identifying particular assigned to the individual. In the Privacy Act, an individual is defined to encompass United States citizens and legal permanent residents. As a matter of policy, DHS extends administrative Privacy Act protections to all individuals where systems of records maintain information on U.S. citizens, lawful permanent residents, visitors, and foreign nationals who are employed by the United States Government. Individuals may request access to their own records that are maintained in a system of records in the possession or under the control of DHS by complying with DHS Privacy Act regulations, 6 CFR Part 5.

The Privacy Act requires that each agency publish in the **Federal Register** a description denoting the type and character of each system of records in order to make agency recordkeeping practices transparent, to notify individuals about the use of their records, and to assist the individual to more easily find files within the agency. Below is a description of the Claims Records System of Records.

In accordance with 5 U.S.C. 552a(r), DHS has provided a report of this revised system of records to the Office of Management and Budget and to the Congress.
