

responsibilities under various consumer financial services laws and on other matters on which the Board seeks its advice. Time permitting, the Council will discuss the following topics:

- Proposed rules for residential mortgage transactions

Members will discuss the Board's proposal to establish new regulatory protections for consumers in the residential mortgage market through amendments to Regulation Z, which implements the Truth in Lending Act and the Home Ownership and Equity Protection Act. The proposal addresses unfair, abusive, or deceptive lending and servicing practices and mortgage advertising practices, and would also require creditors to provide consumers with transaction-specific cost disclosures earlier.

- Foreclosure issues

Members will discuss issues related to home foreclosures, such as loss-mitigation strategies and counseling initiatives.

Reports by committees and other matters initiated by Council members also may be discussed.

Persons wishing to submit views to the Council on any of the above topics may do so by sending written statements to Jennifer Kerslake, Secretary of the Consumer Advisory Council, Division of Consumer and Community Affairs, Board of Governors of the Federal Reserve System, Washington, D.C. 20551. Information about this meeting may be obtained from Ms. Kerslake, 202-452-6470.
