

- C. Republishing paragraph (f) introductory text.
- D. Revising paragraphs (f)(1), (f)(2), (f)(3) introductory text, and (f)(3)(i).
- E. Removing and reserving paragraph (f)(3)(ii).
- The revisions read as follows:

§ 433.68 Permissible health care-related taxes.

(a) *General rule.* A State may receive health care-related taxes, without a reduction in FFP, only in accordance with the requirements of this section.

* * * * *

(f) *Hold harmless.* A taxpayer will be considered to be held harmless under a tax program if any of the following conditions applies:

(1) The State (or other unit of government) imposing the tax provides for a direct or indirect non-Medicaid payment to those providers or others paying the tax and the payment amount is positively correlated to either the tax amount or to the difference between the Medicaid payment and the tax amount. A positive correlation includes any positive relationship between these variables, even if not consistent over time.

(2) All or any portion of the Medicaid payment to the taxpayer varies based only on the tax amount, including where Medicaid payment is conditional on receipt of the tax amount.

(3) The State (or other unit of government) imposing the tax provides for any direct or indirect payment, offset, or waiver such that the provision of that payment, offset, or waiver directly or indirectly guarantees to hold taxpayers harmless for all or any portion of the tax amount.

(i)(A) An indirect guarantee will be determined to exist under a two prong "guarantee" test. If the health care-related tax or taxes on each health care class are applied at a rate that produces revenues less than or equal to 6 percent of the revenues received by the taxpayer, the tax or taxes are permissible under this test. The phrase "revenues received by the taxpayer" refers to the net patient revenue attributable to the assessed permissible class of health care items or services. However, for the period of January 1, 2008 through September 30, 2011, the applicable percentage of net patient service revenue is 5.5 percent.

Compliance in State fiscal year 2008 will be evaluated from January 1, 2008 through the last day of State fiscal year 2008. Beginning with State fiscal year 2009 the 5.5 percent tax collection will be measured on an annual State fiscal year basis.

(B) When the tax or taxes produce revenues in excess of the applicable percentage of the revenue received by the taxpayer, CMS will consider an indirect hold harmless provision to exist if 75 percent or more of the taxpayers in the class receive 75 percent or more of their total tax costs back in enhanced Medicaid payments or other State payments. The second prong of the indirect hold harmless test is applied in the aggregate to all health care taxes applied to each class. If this standard is violated, the amount of tax revenue to be offset from medical assistance expenditures is the total amount of the taxpayers' revenues received by the State.

(ii) [Reserved]

§ 433.70 [Amended]

- 10. Section 433.70 is amended by—
- A. Revising the section heading.
- B. Removing paragraph (a)(1).
- C. Removing the paragraph designation for existing paragraph (a)(2).
- The revised heading reads as follows:

§ 433.70 Limitation on level of FFP for revenues from health care-related taxes.

* * * * *

(Catalog of Federal Domestic Assistance Program No. 93.778, Medical Assistance Program)

Dated: October 23, 2007.

Kerry Weems,

Acting Administrator, Centers for Medicare & Medicaid Services.

Approved: December 3, 2007.

Michael O. Leavitt,

Secretary.

Editorial Note: This document was received at the Office of the Federal Register on February 15, 2008.

BILLING CODE 4120-01-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 67

Final Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: Base (1% annual chance) Flood Elevations (BFEs) and modified BFEs are made final for the communities listed below. The BFEs and modified BFEs are the basis for the floodplain management measures that each community is required either to

adopt or to show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES: The date of issuance of the Flood Insurance Rate Map (FIRM) showing BFEs and modified BFEs for each community. This date may be obtained by contacting the office where the maps are available for inspection as indicated on the table below.

ADDRESSES: The final BFEs for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

FOR FURTHER INFORMATION CONTACT: William R. Blanton, Jr., Engineering Management Branch, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646-3151.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) makes the final determinations listed below for the modified BFEs for each community listed. These modified elevations have been published in newspapers of local circulation and ninety (90) days have elapsed since that publication. The Assistant Administrator of the Mitigation Directorate has resolved any appeals resulting from this notification.

This final rule is issued in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR part 67. FEMA has developed criteria for floodplain management in floodprone areas in accordance with 44 CFR part 60.

Interested lessees and owners of real property are encouraged to review the proof Flood Insurance Study and FIRM available at the address cited below for each community. The BFEs and modified BFEs are made final in the communities listed below. Elevations at selected locations in each community are shown.

National Environmental Policy Act. This final rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Consideration. An environmental impact assessment has not been prepared.

Regulatory Flexibility Act. As flood elevation determinations are not within the scope of the Regulatory Flexibility Act, 5 U.S.C. 601-612, a regulatory flexibility analysis is not required.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30,

1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This final rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This final rule meets the applicable standards of Executive Order 12988.

List of Subjects in 44 CFR Part 67

Administrative practice and procedure, Flood insurance, Reporting and recordkeeping requirements.

■ Accordingly, 44 CFR part 67 is amended as follows:

PART 67—[AMENDED]

■ 1. The authority citation for part 67 continues to read as follows:

Authority: 42 U.S.C. 4001 *et seq.*; Reorganization Plan No. 3 of 1978, 3 CFR, 1978 Comp., p. 329; E.O. 12127, 44 FR 19367, 3 CFR, 1979 Comp., p. 376.

§ 67.11 [Amended]

■ 2. The tables published under the authority of § 67.11 are amended as follows:

Flooding source(s)	Location of referenced elevation	* Elevation in feet (NGVD) + Elevation in feet (NAVD) # Depth in feet above ground Modified	Communities affected
Williamson County, Illinois, and Incorporated Areas Docket No.: FEMA B-7733 & D-7816			
Campground Creek	Where Main Street crosses over Campground Creek	+423	Unincorporated Areas of Williamson County.
	490 feet upstream of Main Street	+424	
	1090 feet upstream of Edgewood Park	+428	
	1160 feet upstream of Edgewood Park	+428	
Crab Orchard Creek	200 feet upstream of Fosse Road	+417	Unincorporated Areas of Williamson County.
East Fork Campground Creek	Just Downstream of State Highway 13	+430	Unincorporated Areas of Williamson County.
	Where Main Street crosses East Fork Campground Creek	+423	
Lake Creek	865 feet upstream of Belinda Road	+426	Unincorporated Areas of Williamson County.
	Where Prosperity Road crosses Lake Creek	+402	
West Fork Campground Creek.	650 feet upstream of Newton Avenue	+410	Unincorporated Areas of Williamson County.
	Confluence with Campground Creek	+424	
West Fork	25 feet downstream of Honeysuckle Lane	+424	Unincorporated Areas of Williamson County.
	Confluence with Westernaire Creek	+423	
Westernaire Creek	700 feet Downstream of Bainbridge Trail	+426	Unincorporated Areas of Williamson County.
Westernaire Creek	Where Main Street crosses over Westernaire Creek	+421	
	750 feet upstream of DeYoung Street	+432	

* National Geodetic Vertical Datum.
+ North American Vertical Datum.
Depth in feet above ground.

ADDRESSES

Unincorporated Areas of Williamson County

RIN 0648-XF74

Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Catching Pacific Cod for Processing by the Inshore Component in the Central Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for Pacific cod by vessels catching Pacific cod for processing by the inshore component in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the 2008 total allowable catch (TAC) of Pacific cod

apportioned to vessels catching Pacific cod for processing by the inshore component of the Central Regulatory Area of the GOA.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), February 20, 2008, until 1200 hrs, A.l.t., September 1, 2008.

FOR FURTHER INFORMATION CONTACT: Jennifer Hogan, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The A season allocation of the 2008 TAC of Pacific cod apportioned to vessels catching Pacific cod for processing by the inshore component of the Central Regulatory Area of the GOA is 15,350 metric tons (mt) as established by the 2007 and 2008 harvest specifications for groundfish of the GOA (72 FR 9676, March 5, 2007) and revision (73 FR 1554, January 9, 2008).

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator), has determined that the A season allocation of the 2008 TAC of Pacific cod apportioned to vessels catching Pacific cod for processing by the inshore component of the Central Regulatory Area of the GOA will soon be reached. Therefore, the Regional Administrator is

establishing a directed fishing allowance of 12,850 mt, and is setting aside the remaining 2,500 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for Pacific cod by vessels catching Pacific cod for processing by the inshore component in the Central Regulatory Area of the GOA.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of Pacific cod apportioned to vessels catching Pacific cod for processing by the inshore component of the Central Regulatory Area of the GOA. NMFS was unable to publish a notice providing time for public comment because the most
