Initial PHAs will use a standardized form to submit portability information to the receiving PHA who will also use the form for monthly portability billing. PHAs and Owners will enter into HAP Contracts each providing information on rents, payments, certifications, notifications, and Owner agreement in a form acceptable to the PHA. A tenancy addendum is included in the HAP contract as well as incorporated in the lease between the owner and the family. Families that participate in the Homeownership program will execute a statement regarding their responsibilities and execute contracts of sale including an additional contract of sale for new construction units. PHAs that wish to voluntarily transfer their HCV programs will notify HUD for approval and, once approved, all affected families and owners of the divested PHA. PHAs participating in the Project-Based Voucher program will enter into Agreements with developing owners, HAP contacts with the existing and New Construction/Substantial Rehabilitation owners, Statement of Family Responsibility with the family and a lease Addendum will be provided for execution between the family and the owner.
