Intent to Rescind the 2007-2008 Administrative Review, in Part

Dongkuk submitted a letter on October 20, 2008, certifying that it did not have sales of subject merchandise to the United States during the POR. The petitioners, United States Steel Corporation, Nucor Corporation, and Mittal Steel USA ISG, Inc. did not comment on Dongkuk's no-shipment claim.

We conducted an internal customs data query on October 2, 2008, as part of the selection of respondents for individual review. *See* CBP Data. The data query showed several questionable entries, of which the Department requested entry documents. *See* Entry Documentation Request. The documentation showed that the questionable entries from the CBP data were not produced by Dongkuk. *See* Entry Documentation.

Based on our analysis of the shipment data, Dongkuk is a non-shipper for this review. *See* No Shipment Analysis.

Therefore, in accordance with 19 CFR 351.213(d)(3), and consistent with our practice, we preliminarily determine to rescind this review. *See, e.g., Stainless Steel Bar from India; Preliminary Results of Antidumping Duty Administrative Review and New Shipper Review, and Partial Rescission of Administrative Review*, 65 FR 12209 (March 8, 2000); *Persulfates From the People's Republic of China; Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission of Administrative Review*, 65 FR 18963 (April 10, 2000).
