Subpart C—Wage Rate Requirements Under Section 1606 of the American Recovery and Reinvestment Act of 2009

§ 176.180 Procedure.

The award official shall insert the standard award term in this Subpart in all awards funded in whole or in part with Recovery Act funds.

§ 176.190 Award term—Wage Rate Requirements under Section 1606 of the Recovery Act.

When issuing announcements or requesting applications for Recovery Act programs or activities that may involve construction, alteration, maintenance, or repair the agency shall use the award term described in the following paragraphs:

(a) Section 1606 of the Recovery Act requires that all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to the Recovery Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of

chapter 31 of title 40, United States Code.

Pursuant to Reorganization Plan No. 14 and the Copeland Act, 40 U.S.C. 3145, the Department of Labor has issued regulations at 29 CFR parts 1, 3, and 5 to implement the Davis-Bacon and related Acts. Regulations in 29 CFR 5.5 instruct agencies concerning application of the standard Davis-Bacon contract clauses set forth in that section. Federal agencies providing grants, cooperative agreements, and loans under the Recovery Act shall ensure that the standard Davis-Bacon contract clauses found in 29 CFR 5.5(a) are incorporated in any resultant covered contracts that are in excess of \$2,000 for construction, alteration or repair (including painting and decorating).

(b) For additional guidance on the wage rate requirements of section 1606, contact your awarding agency. Recipients of grants, cooperative agreements and loans should direct their initial inquiries concerning the application of Davis-Bacon requirements to a particular federally assisted project to the Federal agency funding the project. The Secretary of Labor retains final coverage authority under Reorganization Plan Number 14.

Subpart D—Single Audit Information for Recipients of Recovery Act Funds

§ 176.200 Procedure.

The award official shall insert the standard award term in this Subpart in all awards funded in whole or in part with Recovery Act funds.

§ 176.210 Award term—Recovery Act Transactions listed in Schedule of Expenditures of Federal Awards and Recipient Responsibilities for Informing Subrecipients.

The award term described in this section shall be used by agencies to clarify recipient responsibilities regarding tracking and documenting Recovery Act expenditures:

(a) To maximize the transparency and accountability of funds authorized under the American Recovery and Reinvestment Act of 2009 (Pub. L. 111–5) (Recovery Act) as required by Congress and in accordance with 2 CFR 215.21 “Uniform Administrative Requirements for Grants and Agreements” and OMB Circular A–102 Common Rules provisions, recipients agree to maintain records that identify adequately the source and application of Recovery Act funds. OMB Circular A–102 is available at <http://www.whitehouse.gov/omb/circulars/a102/a102.html>.

(b) For recipients covered by the Single Audit Act Amendments of 1996

and OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations,” recipients agree to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF–SAC) required by OMB Circular A–133. OMB Circular A–133 is available at <http://www.whitehouse.gov/omb/circulars/a133/a133.html>. This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF–SAC by CFDA number, and inclusion of the prefix “ARRA-” in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF–SAC.

(c) Recipients agree to separately identify to each subrecipient, and document at the time of subaward and at the time of disbursement of funds, the Federal award number, CFDA number, and amount of Recovery Act funds. When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.

(d) Recipients agree to require their subrecipients to include on their SEFA information to specifically identify Recovery Act funding similar to the requirements for the recipient SEFA described above. This information is needed to allow the recipient to properly monitor subrecipient expenditure of ARRA funds as well as oversight by the Federal awarding agencies, Offices of Inspector General and the Government Accountability Office.

[Doc. No. AO–192–A7; AMS–FV–07–0004; FV06–984–1 C]

Walnuts Grown in California; Order Amending Marketing Order No. 984; Correcting Amendment

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Final rule; correcting amendment.

SUMMARY: The Agricultural Marketing Service published a final rule in the **Federal Register** on March 3, 2008 (73 FR 11328). The document implemented amendments to the California walnut marketing order. However, that document inadvertently omitted a change that would make the term of office for California Walnut Board (Board) members correspond with the time period prescribed for the Board's marketing year. This correcting amendment changes the term of office of Board members from July 1 through June 30 to September 1 through August 31 to correspond with the Board's marketing year.

DATES: *Effective Date:* April 24, 2009.

Small businesses may request information on complying with this regulation by contacting Jay Guerber, Marketing Order Administration Branch, Fruit and Vegetable Programs, AMS, USDA, 1400 Independence Avenue, SW., STOP 0237, Washington, DC 20250-0237; Telephone: (202) 720-2491, Fax: (202) 720-8938, or e-mail: Jay.Guerber@ams.usda.gov.

SUPPLEMENTARY INFORMATION: This document provides a correcting amendment to Marketing Order 984, as amended, (7 CFR part 984), regulating the handling of walnuts grown in California, hereinafter referred to as the "order."

A Secretary's Decision and Referendum Order was published in the July 13, 2007, **Federal Register** (72 FR 38498). That document proposed several amendments to the order, including changing the term of office of Board members from July 1 through June 30, to September 1 through August 31 so the term of office would correspond with the proposed change to the marketing year defined in the order. That document also directed that a referendum be held among producers to determine if they supported the proposed changes. In referendum, producers approved the proposed changes.

A final rule establishing an Order Amending Marketing Order No. 984 was issued in the **Federal Register** on March 4, 2008 (73 FR 11328). That document included amendments approved by producers in referendum, but omitted the amendment to change the term of

office of Board members. This action corrects the amended order to include the change that was omitted.
