

occupational information in SSA's disability programs; and any other area(s) that would enable SSA to develop an occupational information system suited to its disability programs and improve the medical-vocational adjudication policies and processes.

Agenda: The Panel will meet on Wednesday, June 10, 2009, from 8:30 a.m. until 5 p.m. (CDT) and Thursday, June 11, 2009, from 8:30 a.m. until 12 p.m. (CDT). The agenda will be available on the Internet at <http://www.socialsecurity.gov/oidap/> one week prior to the meeting.

The tentative agenda for this meeting includes: Presentations by stakeholder organizations for the purpose of identifying perceived gaps that currently exist between the occupational information available in the DOT and that is believed necessary to adjudicate claims in SSA's disability programs to ensure a proper assessment of the claimants' abilities to do their past work and, if not, their abilities to do any other work in the economy given the claimants' work histories and the physical, mental, or cognitive limitations resulting from claimants' impairments. There will be discussion and identification of areas where additional or new occupational information is needed, for example, as it relates to the physical or mental demands of work, educational requirements of work, work settings, and work skills. The Panel will hear presentations on taxonomic issues and proposed methodologies for developing a classification system. The Panel will discuss and deliberate on issues relevant to the Panel's recommendations and hold an administrative business meeting.

The Panel will hear public comment during the Quarterly Meeting on Wednesday, June 10, 2009, from 2:30 p.m. to 3:30 p.m. (CDT). Members of the public must schedule a time slot—assigned on a first come, first served basis—in order to comment. In the event public comment does not take the entire time allotted, the Panel may use any remaining time to deliberate or conduct other Panel business.

Persons interested in providing testimony in person at the meeting or via teleconference should contact the Panel staff by e-mail to OIDAP@ssa.gov. Individuals are limited to a maximum five minute, verbal presentation. Organizational representatives will be allotted a maximum ten minute verbal presentation. Written testimony, no longer than five (5) pages, may be submitted at any time either in person, mail, fax or e-mail to OIDAP@ssa.gov for Panel consideration.

Seating is limited. Individuals who need special accommodation in order to attend or participate in the meeting (e.g., sign language interpretation, assistive listening devices, or materials in alternative formats, such as large print or CD) should notify Debra Tidwell-Peters via e-mail to debra.tidwell-peters@ssa.gov or by telephone at 410-965-9617, no later than May 25, 2009. SSA will attempt to meet requests made but cannot guarantee availability of services. All meeting locations are barrier free.
