SUPPLEMENTARY INFORMATION:

Background and Purpose

We published a notice of proposed rulemaking (NPRM) in the **Federal Register** on February 12, 2009 (74 FR 7022), entitled “Regulated Navigation Areas; Bars Along the Coasts of Oregon and Washington.” In it we stated that we did not plan to hold a public meeting, but that we welcomed requests explaining why one would be beneficial (74 FR 7023). We received several such requests and have already held two public meetings in Astoria and Newport, Oregon (74 FR 16814, Apr. 13, 2009). Due to several requests for a meeting in southern Oregon we have concluded that a third public meeting would aid this rulemaking. Therefore, we are publishing this notice.

In the NPRM, we proposed to establish Regulated Navigation Areas (RNA) covering specific bars along the coasts of Oregon and Washington that will include procedures for restricting and/or closing those bars as well as additional safety requirements for recreational and small commercial vessels operating in the RNAs. The RNAs are necessary to help ensure the safety of the persons and vessels operating in those hazardous bar areas. The RNAs will do so by establishing clear procedures for restricting and/or closing the bars and mandating additional safety requirements for recreational and small commercial vessels operating in the RNAs when certain conditions exist. On May 8, 2009 (74 FR 21564), we published a notice reopening the public comment period to June 30, 2009.

You may view the NPRM in our online docket, in addition to supporting documents prepared by the Coast Guard, including an “Environmental Analysis Checklist”, RNA Fact Sheets for recreational, passenger, and commercial fishing vessels, and comments submitted thus far by going to <http://www.regulations.gov>. Once there, select the Advanced Docket Search option on the right side of the screen, insert USCG–2008–1017 in the Docket ID box, press Enter, and then click on the item in the Docket ID column. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays; or the Thirteenth Coast Guard District, Prevention Division, Inspections and Investigations Branch

in Room 3506 on the 35th floor of the Jackson Federal Building, 915 Second Avenue, Seattle, WA 98174, between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

We encourage you to participate in this rulemaking by submitting comments either orally at the meeting or in writing. If you bring written comments to the meeting, you may submit them to Coast Guard personnel specified at the meeting to receive written comments. These comments will be submitted to the online public docket. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

Comments submitted after the meeting must reach the Coast Guard on or before June 30, 2009. If you submit a comment online via <http://www.regulations.gov>, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility.

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008 issue of the **Federal Register** (73 FR 3316).
