

U.S. groundfish fisheries of the Exclusive Economic Zone (EEZ) off Washington, Oregon, and California under the Pacific Coast Groundfish Fishery Management Plan (FMP). The Pacific Fishery Management Council prepared the FMP pursuant to the Magnuson-Stevens Fishery Conservation and Management Act. The regulations implementing the FMP are at 50 CFR part 660.

This collection contains certain reporting and recordkeeping requirements for vessels in the Pacific Coast Groundfish Fishery in the Exclusive Economic Zone off the states of Washington Oregon and California. These requirements affect fish processing vessels over 125 feet in length and catcher vessels that deliver their catch to motherships. The information collected is needed to monitor catch, effort, and production for fishery management purposes.

II. Method of Collection

Paper forms are used for most requirements. The paper forms are submitted by facsimile machine. Some vessels have chosen to compose an identical electronic form in Microsoft Excel which is accepted via e-mail.

III. Data

OMB Number: 0648-0271.

Form Number: None.

Type of Review: Regular submission.

Affected Public: Businesses or other for-profit organizations.

Estimated Number of Respondents: 56.

Estimated Time per Response: 13 minutes per day for a Daily Fishing and Cumulative Production Log (DFCPL) from a catcher vessel; 26 minutes per day for a DFCPL from a catcher-processor; 13 minutes per day for a Daily Report of Fish Received and Cumulative Production Log from a mothership; 4 minutes per day for a Weekly/Daily Production Report; 1 minute per day for a Product Transfer/Offloading Logbook; and 1 minute for a Start or Stop Notification Report.

Estimated Total Annual Burden Hours: 1,136.

Estimated Total Annual Cost to Public: \$2,653.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c)

ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: May 13, 2009.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

Certain Cut-to-Length Carbon-Quality Steel Plate From Japan: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On March 24, 2009, the Department of Commerce (the Department) published in the **Federal Register** a notice announcing the initiation of an administrative review of the antidumping duty order on certain cut-to-length carbon-quality steel plate (CTL CQ plate) from Japan. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 12310 (*Initiation Notice*). The period of review (POR) is February 1, 2008 to January 31, 2009, and covers sales or entries of CTL CQ plate by Kawasaki Steel Corporation (Kawasaki) and its alleged successor-in-interest, JFE Steel Corporation (JFE). We are rescinding this review because there were no entries of CTL CQ plate associated with either Kawasaki or JFE Steel during the POR.

EFFECTIVE DATE: May 19, 2009.

FOR FURTHER INFORMATION CONTACT: David Goldberger, Office of AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-4136.

Scope of the Order:

The products covered by this order are certain hot-rolled carbon-quality steel: (1) Universal mill plates (i.e., flat-rolled products rolled on four faces or in a closed box pass, of a width exceeding 150 mm but not exceeding 1250 mm, and of a nominal or actual thickness of not less than 4 mm, which are cut-to-length (not in coils) and without patterns in relief), of iron or non-alloy-quality steel; and (2) flat-rolled products, hot-rolled, of a nominal or actual thickness of 4.75 mm or more and of a width which exceeds 150 mm and measures at least twice the thickness, and which are cut-to-length (not in coils). Steel products to be included in the scope of this order are of rectangular, square, circular or other shape and of rectangular or non-rectangular cross-section where such non-rectangular cross-section is achieved subsequent to the rolling process (i.e., products which have been "worked after rolling") - for example, products which have been beveled or rounded at the edges. Steel products that meet the noted physical characteristics that are painted, varnished or coated with plastic or other non-metallic substances are included within the scope of this order. Also, specifically included in the scope of this order are high strength, low alloy (HSLA) steels. HSLA steels are recognized as steels with micro-alloying levels of elements such as chromium, copper, niobium, titanium, vanadium, and molybdenum. Steel products included in this scope, regardless of Harmonized Tariff Schedule of the United States (HTSUS) definitions, are products in which: (1) Iron predominates, by weight, over each of the other contained elements, (2) the carbon content is two percent or less, by weight, and (3) none of the elements listed below is equal to or exceeds the quantity, by weight, respectively indicated: 1.80 percent of manganese, or 1.50 percent of silicon, or 1.00 percent of copper, or 0.50 percent of aluminum, or 1.25 percent of chromium, or 0.30 percent of cobalt, or 0.40 percent of lead, or 1.25 percent of nickel, or 0.30 percent of tungsten, or 0.10 percent of molybdenum, or 0.10 percent of niobium, or 0.41 percent of titanium, or 0.15 percent of vanadium, or 0.15 percent zirconium. All products that meet the written physical description, and in which the chemistry quantities do not equal or exceed any one of the levels listed above, are within the scope of this order unless otherwise specifically excluded.

The following products are specifically excluded from this order: (1) Products clad, plated, or coated with metal, whether or not painted, varnished or coated with plastic or other non-metallic substances; (2) SAE grades (formerly AISI grades) of series 2300 and above; (3) products made to ASTM A710 and A736 or their proprietary equivalents; (4) abrasion-resistant steels (i.e., USS AR 400, USS AR 500); (5) products made to ASTM A202, A225, A514 grade S, A517 grade S, or their proprietary equivalents; (6) ball bearing steels; (7) tool steels; and (8) silicon manganese steel or silicon electric steel. The following additional exclusions apply with respect to abrasion-resistant steels: NK-EH-360 (NK Everhard 360) and NK-EH-500 (NK Everhard 500). NK-EH-360 has the following specifications: (a) Physical Properties: Thickness ranging from 6–50 mm, Brinell Hardness: 361 min.; (b) Heat Treatment: controlled heat treatment; and (c) Chemical Composition (percent weight): C: 0.20 max., Si: 0.55 max., Mn: 1.60 max., P: 0.030 max., S: 0.030 max., Cr: 0.40 max., Ti: 0.005–0.020, B: 0.004 max. NK-EH-500 has the following specifications: (a) Physical Properties: Thickness ranging from 6–50 mm, Brinell Hardness: 477 min.; (b) Heat Treatment: Controlled heat treatment; and (c) Chemical Composition (percent weight): C: 0.35 max., Si: 0.55 max., Mn: 1.60 max., P: 0.030 max., S: 0.030 max., Cr: 0.80 max., Ti: 0.005–0.020, B: 0.004 max.

The merchandise subject to this order is classified in the HTSUS under subheadings: 7208.40.3030, 7208.40.3060, 7208.51.0030, 7208.51.0045, 7208.51.0060, 7208.52.0000, 7208.53.0000, 7208.90.0000, 7210.70.3000, 7210.90.9000, 7211.13.0000, 7211.14.0030, 7211.14.0045, 7211.90.0000, 7212.40.1000, 7212.40.5000, 7212.50.0000, 7225.40.3050, 7225.40.7000, 7225.50.6000, 7225.99.0090, 7226.91.5000, 7226.91.7000, 7226.91.8000, 7226.99.0000.

Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise covered by this order is dispositive.

SUPPLEMENTARY INFORMATION:

Background

On February 4, 2009, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on CTL CQ plate from Japan for the period February

1, 2008 to January 31, 2009. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 74 FR 6013 (February 4, 2009). In accordance with 19 CFR 351.213(b)(1), on February 27, Nucor Corporation, a domestic producer of CTL CQ plate, requested a review of this order with respect to Kawasaki Steel Corporation (Kawasaki). On March 9, 2009, Nucor filed a letter clarifying its February 27, 2009, request for an administrative review of Kawasaki to include any successors-in-interest to Kawasaki, such as JFE.

The Department initiated the administrative review on March 24, 2009. *See Initiation Notice*. On April 7, 2009, JFE notified the Department that it had not made sales or exports of the subject merchandise during the POR. In addition, we reviewed the U.S. Customs and Border Protection (CBP) import database and found no entries of subject merchandise associated with either JFE or Kawasaki. We invited interested parties to comment on this information. *See* “No Shipments for Review and Intent to Rescind,” memorandum to the file dated April 16, 2009. We received no comments.

Rescission of Review

Under 19 CFR 351.213(d)(3), the Secretary may rescind an administrative review in whole or only with respect to a particular exporter or producer if the Secretary concludes that there were no entries, exports, or sales of the subject merchandise during the POR. As only Kawasaki and its alleged successor-in-interest JFE are subject to this administrative review, and there were no entries, exports, or sales of the subject merchandise by either Kawasaki or JFE during the POR, we are rescinding this review of the antidumping duty order on CTL CQ plate from Japan in its entirety pursuant to 19 CFR 351.213(d)(3). We intend to issue assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.

This notice is published in accordance with section 751 of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: May 12, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Pasta From Italy: Notice of Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: (May 19, 2009).

SUMMARY: In response to requests by interested parties, the Department of Commerce (“the Department”) initiated an administrative review of the antidumping duty order on certain pasta (“pasta”) from Italy for the period of review (“POR”) July 1, 2007, through June 30, 2008.¹ As a result of timely withdrawals of request for review, we are rescinding this review, in part, with respect to Pasta Zara SpA (“Zara”), Pastificio Felicetti S.r.L. (“Felicetti”), F. Divella SpA (“Divella”), Pastificio Di Martino Gaetano & F.lli S.r.L. (“Di Martino”), and Arrighi S.p.A. (“Arrighi”).

FOR FURTHER INFORMATION CONTACT:

Christopher Hargett, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–4161.

SUPPLEMENTARY INFORMATION:

Background

On August 26, 2008, the Department initiated the instant review of certain pasta from Italy with respect to Arrighi, Domenico Paone fu Erasmo S.p.A., Divella, Industria Alimentare Colavita, S.p.A., P.A.M. S.p.A., Pasta Lensi, Pasta Zara, Di Martino, Felicetti, Pastificio Fratelli Pagani S.p.A., Pastificio Labor S.r.L., Pastificio Lucio Garafalo, Pastificio Riscossa F.lli Mastromauro S.r.L., Rummo S.p.A. Molino e Pastificio, and Rustichella d’Abruzzo S.p.A.² On September 15, 2008, petitioners³ withdrew their request for review with respect to Arrighi. Arrighi did not self-request review.

On October 20, 2008, Zara, Felicetti, Divella, and Di Martino withdrew their requests for review. Petitioners did not request review of Zara, Felicetti, Divella or Di Martino.

¹ *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation*, 73 FR 50308 (August 26, 2008) (“Initiation Notice”).

² *See Initiation Notice*.

³ Petitioners are the New World Pasta Company, American Italian Pasta Company, and Dakota Growers Pasta Company.
