Report Title: Country Exposure Report for U.S. Branches and Agencies of Foreign Banks.

Form Number: FFIEC 019.

OMB Number: 7100-0213.

Frequency of Response: Quarterly.

Affected Public: U.S. branches and agencies of foreign banks.

Estimated Number of Respondents: 161.

Estimated Average Time per Response: 10 hours.

Estimated Total Annual Burden: 6,440 hours.

General Description of Reports

This information collection is mandatory: 12 U.S.C. 3906 for all agencies; 12 U.S.C. 3105 and 3108 for the Board; sections 7 and 10 of the Federal Deposit Insurance Act (12 U.S.C. 1817, 1820) for the FDIC; and the National Bank Act (12 U.S.C. 161) for the OCC. This information collection is given confidential treatment under the Freedom of Information Act (5 U.S.C. 552(b)(8)).

Abstract

All individual U.S. branches and agencies of foreign banks that have more than \$30 million in direct claims on residents of foreign countries must file the FFIEC 019 report quarterly. Currently, all respondents report adjusted exposure amounts to the five largest countries having at least \$20 million in total adjusted exposure. The agencies collect this data to monitor the extent to which such branches and agencies are pursuing prudent country risk diversification policies and limiting potential liquidity pressures. No changes are proposed to the FFIEC 019 reporting form or instructions.

Request for Comment

Comments are invited on:

a. Whether the information collection is necessary for the proper performance of the agencies' functions, including whether the information has practical utility;

b. The accuracy of the agencies' estimate of the burden of the information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or start up costs and costs of operation, maintenance, and purchase of services to provide information.

Comments submitted in response to this notice will be shared among the agencies. All comments will become a matter of public record. Written comments should address the accuracy of the burden estimate and ways to minimize burden including the use of automated collection techniques or the use of other forms of information technology as well as other relevant aspects of the information collection request.
