## SUPPLEMENTARY INFORMATION:

### I. Background

The Department of Labor (DOL) conducts a variety of voluntary Customer Satisfaction Surveys of regulated/non-regulated entities, which are specifically designed to gather information from a customer's perspective as prescribed by E.O. 12862, Setting Customer Service Standards, September 11, 1993. These Customer Satisfaction Surveys provide information on customer attitudes about the delivery and quality of agency products/services and are used as part of an ongoing process to improve DOL programs. This generic clearance allows agencies to gather information from both Federal and non-Federal users.

In addition to conducting Customer Satisfaction Surveys, the Department also includes the use of evaluation forms for those DOL agencies conducting conferences. These evaluations are helpful in determining the success of the current conference, in developing future conferences, and in meeting the needs of the Department's product/service users.

### II. Current Actions

Office of Management and Budget approval for this collection of information expires September 30, 2009. DOL proposes to seek continued approval for this collection of information for an additional three years.

The National Endowment for the Arts enriches our nation and its diverse cultural heritage by supporting works of artistic excellence, advancing learning in the arts, and strengthening the arts in communities throughout the country.

With the advice of the National Council on the Arts and advisory panels, the Chairman establishes eligibility requirements and criteria for the review of applications for funding. Section 959(c) of the Endowment’s enabling legislation, as amended, directs the Chairman to utilize advisory panels to review applications and to make recommendations to the National Council on the Arts, which in turn makes recommendations to the Chairman.

The legislation requires the Chairman “(1) To ensure that all panels are composed, to the extent practicable, of individuals reflecting a wide geographic, ethnic, and minority representation as well as to (2) ensure that all panels include representation of lay individuals who are knowledgeable about the arts \* \* \*” In addition, the membership of each panel must change substantially from year to year and each individual is ineligible to serve on a panel for more than 3 consecutive years. To assist with efforts to meet these legislated mandates regarding representation on advisory panels, the endowment has established an Automated Panel Bank System (APBS), a computer database of names, addresses, areas of expertise and other basic information on individuals who are qualified to serve as panelists for the Arts Endowment.

The Panelist Profile Form, for which clearance is requested, is used to gather basic information from qualified individuals recommended by the arts
