BILLING CODE 8010-01-P

DEPARTMENT OF THE TREASURY

Fiscal Service

31 CFR Part 285

RIN 1510-AB22

Disbursing Official Offset

AGENCY: Financial Management Service, Fiscal Service, Treasury.

ACTION: Interim final rule.

SUMMARY: The Department of the Treasury, Financial Management Service, is amending its regulations governing the offset of Federal payments to collect nontax debts owed to the United States and States through the Treasury Offset Program. This amendment changes the priorities for collecting debt when a debtor owes more than one debt which has been referred to the Treasury Offset Program for collection by offset, consistent with a change in the statute on which the priority is based. The statutory change, enacted as part of the Deficit Reduction Act of 2005, amends the priority given to the collection of certain past-due support debts.

DATES: This final rule is effective June 10, 2009.

ADDRESSES: The Financial Management Service participates in the U.S. government's eRulemaking Initiative by publishing rulemaking information on www.regulations.gov. SUPPLEMENTARY INFORMATION:

I. Background

The Deficit Reduction Act of 2005 (Pub. L. 109-171) amended section 6402 of the Internal Revenue Code (26 U.S.C. 6402) by changing the order of priority for collecting debt when a debtor owes more than one debt which is subject to collection by tax refund offset. Prior to this change, the order of priority was as follows: (1) Past-due support debts which had been assigned to a State under section 402(a)(26) or 471(a)(17) of the Social Security Act; (2) nontax debt owed to Federal agencies; (3) other past-due support debts; and (4) other reductions allowed by law. Effective October 1, 2008, the order of priority is: (1) All past-due support debts; (2) nontax debt owed to Federal agencies and (3) other reductions allowed by law.

The changes to this rule conform to the statutory change by reordering the order of priority for collecting debt through the Treasury Offset Program. Although the statutory change is directed to the offset of tax refund payments, the portions of this rule that govern offset of nontax payments are also being changed to conform to the new priority order. This is necessary for operational consistency and to create uniformity in how offsets are conducted.

II. Procedural Analyses

Administrative Procedures Act

This rule is being issued without prior public notice and comment as to tax refund payments, because the changes to the rule are being made to conform to statutory requirements. As to other

payments, the change does not adversely affect the rights of the public. Under 5 U.S.C. 553(b) and (d)(3), good cause exists to determine that notice and comment rulemaking is unnecessary and contrary to the public interest. The amendments made by this rule regarding the offset of tax refund payments are required due to amendments enacted into law. The amendments made by this rule regarding the offset of nontax payments mirror those statutory amendments and are necessary to achieve consistency in how non-judicial offsets are conducted. These changes relate to procedures between and among agencies that are owed delinquent debt; therefore, public comment is not necessary. Further delay in making these amendments is contrary to the public interest because it would create an inconsistency both between the law and the regulations and between the regulations themselves, and would cause confusion.

Request for Comment on Plain Language

Executive Order 12866 requires each agency in the Executive branch to write regulations that are simple and easy to understand. We invite comment on how to make the proposed rule clearer. For example, you may wish to discuss: (1) Whether we have organized the material to suit your needs; (2) whether the requirements of the rules are clear; or (3) whether there is something else we could do to make these rules easier to understand.

Regulatory Planning and Review

The final rule does not meet the criteria for a "significant regulatory action" as defined in Executive Order 12866. Therefore, the regulatory review procedures contained therein do not apply.

Regulatory Flexibility Act Analysis

Because no notice of rulemaking is required, the provisions of the Regulatory Flexibility Act (5 U.S.C. *et seq.*) do not apply.
