Exclusion of Certain Military Pay From Deemed Income and Resources

AGENCY: Social Security Administration.

ACTION: Notice of proposed rulemaking.

SUMMARY: We propose to revise our rules to clarify that, for Supplemental Security Income (SSI) purposes, we do not consider any combat-related military pay as income when we determine whether spouses and children of members of the uniformed services are eligible for SSI. The proposed rules also would clarify that we do not consider combat-related military pay as income when we determine the spouse's or child's proper payment amount. These proposed rules also would provide that, when we determine whether spouses and children are eligible for SSI, we do not consider retroactive payments of certain military pay as resources for 9 months following receipt. These proposed rules would protect spouses and children of members of the uniformed services from a reduction in, or loss of, benefits because their spouse or parent serves in a combat zone.

Background

The SSI program provides a minimum income level for aged, blind, and disabled persons who do not have income or resources above levels specified in the Social Security Act (the Act). The Act generally requires that when we determine a person's eligibility for, and amount of, SSI benefits, we must consider the income and resources of an ineligible spouse living in the same household and, in the case of a child under the age of 18, an ineligible parent living in the same household (and the spouse of such a parent). Section 1614(f) of the Act, 42 U.S.C. 1382c(f). We use the term “deeming” to refer to the process of considering part of an ineligible spouse's or parent's income and resources to be the person's own income and resources.

Although a member of the uniformed services on active duty is unlikely to

apply or be eligible for SSI benefits, some members of the uniformed services have spouses or children who receive or may apply for SSI benefits. For purposes of deeming, the Act provides that a spouse or parent who is absent from the household solely because of a duty assignment as a member of the Armed Forces generally will be treated as if he or she were living in the household. Section 1614(f)(4) of the Act, 42 U.S.C. 1382c(f)(4). Therefore, we generally deem income and resources of the member of the uniformed services to his spouse or child when determining the spouse's or child's eligibility for, and amount of, SSI benefits. Because we consider the member of the uniformed services as part of the household, we do not treat his military pay as unearned income from a source outside of the household.

Although we generally deem income of a member of the uniformed services to his spouse or child, the Act excludes from income certain kinds of pay that members of the uniformed services may receive. Section 1612(b)(20) of the Act, 42 U.S.C. 1382a(b)(20). In particular, we exclude from income special pay received pursuant to 37 U.S.C. 310. Members of the uniformed services are eligible for special pay during months in which they are subject to hostile fire or certain other dangerous conditions specified in 37 U.S.C. 310. Our current regulations implementing section 1612(b)(20) of the Act exclude “hostile fire pay” received under 37 U.S.C. 310 from income and from deeming to spouses and children. 20 CFR 416.1124(c)(19) and 416.1161(a)(23). We are proposing to replace the term “hostile fire pay” in these sections of our rules with the term “special pay” to clarify that we exclude from income all special pay that a member of the uniformed services received pursuant to 37 U.S.C. 310.

We are also proposing to add a new paragraph to our rules on deeming of income to spouses and children that excludes from deeming additional types of combat-related pay beyond special pay under 37 U.S.C. 310. The Act allows us to waive the deeming of income and resources to a spouse or child when we determine that deeming would be inequitable. Section 1614(f) of the Act, 42 U.S.C. 1382c(f). Effective October 1, 2002, we issued instructions under this statutory authority to exclude from a spouse's or child's deemed income any additional pay that members of the uniformed services received because they were deployed to or served in a combat zone. We determined that it would be inequitable to deem that pay as income and reduce a family

member's benefits or potentially render the family member ineligible for SSI. We are now proposing to incorporate this exclusion and the definition of the term “combat zone” in our SSI rules.

We are also proposing to revise our rules on deeming of resources to spouses and children to exclude retroactive payments of certain kinds of military pay for 9 months following receipt. Congress has retroactively and permanently increased the amount of special pay under 37 U.S.C. 310 and the family separation allowance under 37 U.S.C. 427. Pursuant to section 1614(f) of the Act, we issued instructions excluding retroactive payments of the increase in special pay received after September 2002 from a spouse's or child's deemed resources for a period of 9 months following the month of receipt. Our instructions similarly excluded retroactive payments of the family separation allowance that a member of the uniformed services received as a result of deployment to or service in a combat zone. We determined that it would be inequitable to apply the usual resource deeming rules to these retroactive payments in recognition of the hardships experienced and sacrifices made by members of the uniformed services and their families. We are now proposing to revise our SSI rules to incorporate these exclusions.

Finally, we are proposing to revise the punctuation at the conclusion of § 416.1161(a)(25), (a)(26), and (a)(27). We are also proposing to clarify some of the language in § 416.1202(a) and (b)(1) and to reorganize portions of § 416.1202(b)(1) to make that section easier to understand. We are proposing these changes solely to improve the clarity of these rules, and these changes would have no substantive effect on our policies or procedures.

Explanation of Proposed Changes

We propose to amend the regulations in 20 CFR, part 416, subparts K and L, to reflect the changes discussed above. In summary, we propose to:

1. Revise § 416.1124(c)(19) and § 416.1161(a)(23) to replace the term “hostile fire pay” with the term “special pay.” We propose this technical clarification to conform the regulatory language to the statutory language in section 1612(b)(20) of the Act.
2. Amend § 416.1160(d) to add a definition of the term “combat zone.”
3. Amend § 416.1161 by adding new paragraph (a)(28) to exclude from income deemed from an ineligible spouse or parent any additional increment in pay, other than any

increase in basic pay (e.g., annual pay raises, promotions), if:

- The spouse or parent received the additional pay as a result of deployment to or service in a combat zone; and
- The spouse or parent was not receiving the additional pay immediately prior to deployment to or service in a combat zone.

4. Revise the punctuation at the conclusion of paragraphs (a)(25), (a)(26), and (a)(27) of § 416.1161.

5. Revise paragraphs (a) and (b)(1) of § 416.1202 to exclude from resources deemed from an ineligible spouse or parent (or spouse of a parent), for 9 months following the month of receipt, the unspent portion of any retroactive payment of:

- Special pay the ineligible spouse or parent received from one of the uniformed services pursuant to 37 U.S.C. 310; and
- Family separation allowance the ineligible spouse or parent received from one of the uniformed services pursuant to 37 U.S.C. 427 as a result of deployment to or service in a combat zone.

6. Clarify some language in paragraphs (a) and (b)(1) of § 416.1202, and reorganize portions of paragraph (b)(1).

Clarity of These Rules

Executive Order (E.O.) 12866, as amended, requires each agency to write all rules in plain language. In addition to your substantive comments on these proposed rules, we invite your comments on how to make them easier to understand.

For example:

- Have we organized the material to suit your needs?
- Are the requirements in the rules clearly stated?
- Do the rules contain technical language or jargon that isn't clear?
- Would a different format (grouping and order of sections, use of headings, paragraphing) make the rules easier to understand?
- Would more (but shorter) sections be better?
- Could we improve clarity by adding tables, lists, or diagrams?
- What else could we do to make the rules easier to understand?

Regulatory Procedures

Executive Order 12866

We have consulted with the Office of Management and Budget (OMB) and determined that these proposed rules meet the requirements for a significant regulatory action under Executive Order 12866, as amended. Thus, they were subject to OMB review.

Regulatory Flexibility Act

We certify that these proposed rules would not have a significant economic impact on a substantial number of small entities, because they affect only individuals. Therefore, a regulatory flexibility analysis as provided in the Regulatory Flexibility Act, as amended, is not required.

Paperwork Reduction Act

These proposed rules do not pose any public reporting requirements and are, therefore, not subject to the requirements of the Paperwork Reduction Act.

SUPPLEMENTARY INFORMATION:

I. Background

The Food, Conservation and Energy Act of 2008, Public Law 110–234, Section 14219, 22 Stat. 923 (2008) (“the Act”) amended the Debt Collection Act of 1982 (as amended by the Debt Collection Improvement Act of 1996) to remove a restriction on the collection of debt by offset of nontax payments. Prior to this change, nontax payments could be offset to collect debt only if the debt
